## REPORT OF LANGUAGE AND COMMUNICATION (2019-20)

**Topic: Language and Communication**

**Resource Person: Dr. Somashekar B Pillai**

**Attendance: 100**

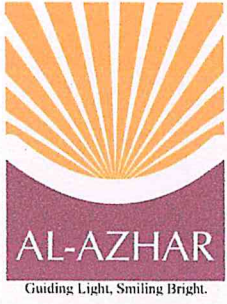

**Venue: Lecture Hall 1**

This report gives a thorough review of a course on language and communication that Dr. Somashekar R. Pillai took every Monday from 25 November 2019 through 13 January 2020 (8 classes), with the goal of improving language and communication abilities. The programme sought to increase individual capacity for clear communication, understanding one another, and promoting constructive relationships in a range of personal and professional contexts.

The program's primary goals were

1. To improve both oral and writing communication abilities.
2. Develop understanding and active listening skills.
3. Improve your understanding of body language and nonverbal communication.
4. Encourage communication that is sensitive to cultural differences.
5. Promote good teamwork through communication.
6. Offer helpful techniques and instruments for communication success.

### REPORT

**PROGRAMME** : Seminar on Time Management  
**PRESENTED BY** : Dr. Vinni Mary Oommen, MDS  
**DATE** : 18-12-2019  
**VENUE** : Lecture hall - 3  
**TIME** : 10.30 pm – 2 pm

A seminar on Time Management was conducted on 18<sup>th</sup> December 2019 in lecture hall – 3 of AADC. The key factor to conduct such a seminar is the fact that many students find it quite hard to find a balance between their students and day to day activities. The programme comprised of 72 students of AADC.

The session began at 10.30 am which started off with prayer followed by principal's address.

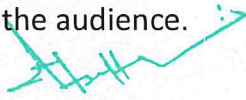

The talk by Dr. Vinni Mary Oommen, MDS (Department of Prosthodontics) highlighted the importance of time management in a student's hectic schedule, a skill that students have to learn & implement it in their daily lives, in order to achieve grater academic performance as well as lower levels of anxiety among the students.

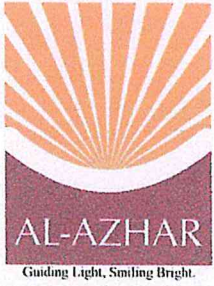

The session was indeed an enlightening one inculcating the basics of time management.

The performance was well-headed with active participation from the audience.

## REPORT

**PROGRAMME : INTERNATIONAL WOMENS DAY CELEBRATION**

**ORGANISED BY : WOMEN'S CELL AND PUBLIC HEALTH DENTISTRY**

**DATE : 09-03-2020**

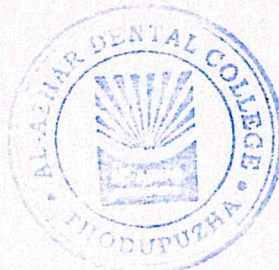

**VENUE : LECTURE HALL - 1**

**TIME : 10.00 AM -11.30 AM**

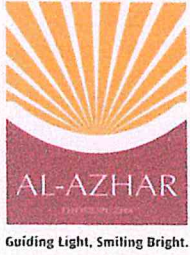

**NO. OF PARTICIPANTS : 74 (Students- 59 , Staffs – 15)**

On International Women's Day, the women's cell of Al-Azhar Dental College in association with Department of PHD conducted a Continuing Dental Education (CDE) session on Women Empowerment, led by Dr. Shiny Joseph MDS. The session started at 10:00 am. The session was an insightful one, with Dr. Shiny Joseph sharing her thoughts on women empowerment and how it can be achieved.

Women empowerment is a critical issue in today's world, and it is imperative to ensure that women have access to the same opportunities and resources as men. In her session, Dr. Joseph talked about the importance of empowering women and how it can help in creating a more equal and just society. She also shared some practical ways in which women can be empowered, such as education, financial independence, and leadership roles.

(APPROVED BY DENTAL COUNCIL OF INDIA & AFFILIATED TO KUHS)

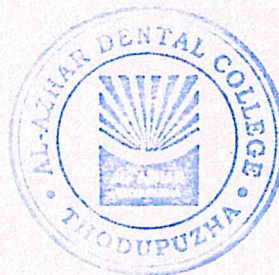

RUN BY NOORUL ISLAM TRUST

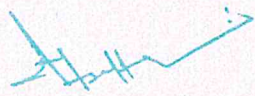

PERUMPILLICHIRA P. O., THODUPUZHA, IDUKKI DIST., KERALA- 685605

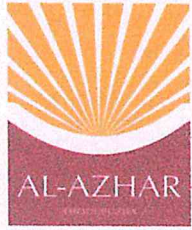

Dr. Shiny emphasized the need for women to be assertive and confident in their abilities. She talked about the challenges that women face in a male-dominated world and the need for women to support each other. She also discussed the role of men in promoting women empowerment and how they can be allies in the fight for gender equality.

One of the highlights of the session was the quote by Meghan Markle that Dr. Shiny shared at the end of the session. The quote, "women don't need to find a voice, they have a voice, and they need to feel empowered to use it, and people need to be encouraged to listen," emphasizes the importance of women using their voice and being heard.

Overall, the CDE session on Women Empowerment by Al-Azhar Dental College was an insightful and thought-provoking session. Dr. Joseph's thoughts and ideas on women empowerment were inspiring and motivational. It is essential to continue to have such sessions and discussions to raise awareness and promote gender equality. Only by working together can we create a world where women are empowered, respected, and valued.

## REPORT OF PERIODIC TRAINING AND AWARENESS SEMINAR FOR ANTI RAGGING SQUAD MEMBERS AND STUDENTS

**Date:** 1st November 2019

**Venue:** Lecture Hall 1

**Resource Person:** Prof. Dr. Purushothaman

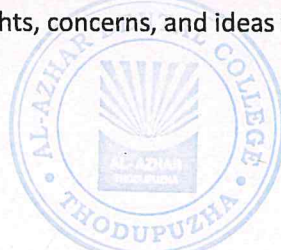

**Introduction:** This report provides an overview of the Periodic Training and Awareness Seminar organized for the Anti Ragging Squad members and students on 1st November 2019. The seminar was aimed at enhancing awareness about the importance of preventing ragging and equipping the Anti Ragging Squad with the necessary skills to effectively address and curb any incidents of ragging within the educational institution.

**Seminar Objectives:** The seminar had the following key objectives:

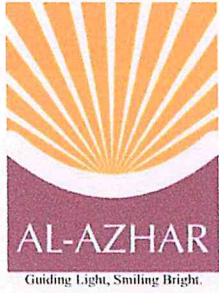

1. **Raise Awareness:** To raise awareness among students about the harmful effects of ragging on individuals and the educational environment.
2. **Educate the Anti Ragging Squad:** To educate the members of the Anti Ragging Squad on their roles, responsibilities, and legal implications in preventing and addressing ragging incidents.
3. **Promote Reporting:** To encourage students to report any instances of ragging promptly and ensure a safe reporting mechanism.
4. **Provide Strategies:** To equip the Anti Ragging Squad with effective strategies and tools for handling and preventing ragging cases.

**Seminar Highlights:** The seminar comprised various components that aimed to fulfill the stated objectives:

1. **Lectures and Presentations:** Prof. Dr. Purushothaman delivered informative lectures and presentations highlighting the negative consequences of ragging on both victims and the institution.
2. **Legal Aspects:** The legal aspects of ragging were discussed to ensure the Anti Ragging Squad members were well-informed about their responsibilities and legal framework.
3. **Role-Playing Exercises:** Role-playing scenarios were conducted to simulate real-life situations and help the squad members practice responding to different ragging scenarios.
4. **Interactive Discussions:** Open discussions were encouraged, allowing students and squad members to share their thoughts, concerns, and ideas for preventing ragging.

Prof. Dr. Harvey Thomas MDS  
Principal  
Al-Azhar Dental College

RUN BY NOORUL ISLAM TRUST  
PERUMPILICHIRA P. O., THODUPUZHA, IDUKKI DIST., KERALA- 685 605

**Outcomes and Impact:** The Periodic Training and Awareness Seminar yielded several positive outcomes:

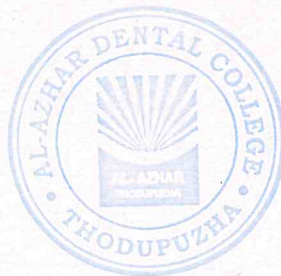

1. **Increased Awareness:** Students gained a deeper understanding of the negative impact of ragging on individuals' mental and emotional well-being.
2. **Enhanced Preparedness:** Anti Ragging Squad members felt more prepared to handle potential ragging incidents and to effectively communicate the consequences to the perpetrators.
3. **Improved Reporting:** The seminar encouraged students to report ragging incidents without fear, fostering a safer and more secure campus environment.

**Recommendations:** To build on the success of the seminar, the following recommendations are suggested:

1. **Regular Training:** Conduct periodic training sessions to ensure that the Anti Ragging Squad remains updated and skilled in handling ragging cases.
2. **Collaboration with Counseling Services:** Collaborate with the institution's counseling services to provide support to both victims and perpetrators of ragging.
3. **Awareness Campaigns:** Organize awareness campaigns throughout the academic year to continuously remind students of the consequences of ragging.

**Conclusion:** The Periodic Training and Awareness Seminar successfully achieved its goals by enhancing awareness about the negative impact of ragging and providing the Anti Ragging Squad with the necessary tools to prevent and address such incidents. The participation of Prof. Dr. Purushothaman and the interactive components of the seminar contributed to its effectiveness. By implementing the recommended strategies, the institution can continue to promote a safe and respectful learning environment for all students.

## REPORT

**Program:** Practice Management

**Lecture Title:** Practice Management

**Date:** October 10, 2019

**Venue:** Lecture Hall 1

**Presenter:** Dr. Litto Manual, MDS

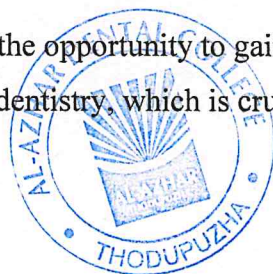

**Number of Participants:** 127

### **Summary:**

- The program centered on the topic of "Practice Management" and featured a lecture by Dr. Litto Manual, who holds a Master of Dental Surgery (MDS) qualification.
- The event was held on October 10, 2019, at Lecture Hall 1, and it attracted 127 participants who were interested in the subject of dental practice management.

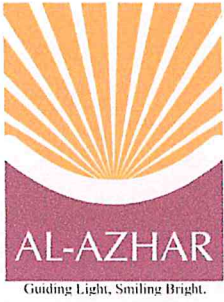

### **Key Points Covered:**

- Dr. Litto Manual's lecture likely focused on the essential aspects of managing a dental practice effectively.
- Topics covered may have included administrative tasks, financial management, patient scheduling, staff management, and other key components of running a successful dental practice.
- The lecture may have also provided insights into best practices, strategies, and tips for dental practitioners to optimize the operations and growth of their clinics.
- Participants had the opportunity to gain valuable knowledge and skills related to the business side of dentistry, which is crucial for the success of any dental practice.

## REPORT

**Program:** What After BDS

**Date:** December 16, 2019

**Venue:** Lecture Hall 1

**Presenter:** Dr. Moushmi CB, MDS

**Number of Participants:** 147

### **Summary:**

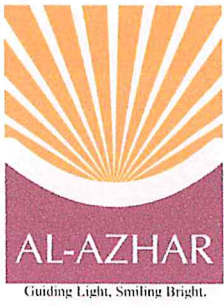

- The program, "What After BDS," aimed to provide guidance and insights to dental students who had completed their BDS (Bachelor of Dental Surgery) degree and were contemplating their future career paths.
- The event was held on December 16, 2019, at Lecture Hall 1, and it attracted 147 participants, all of whom were likely recent BDS graduates seeking direction for their next steps.

### **Key Points Covered:**

- Dr. Moushmi CB, MDS, likely discussed various career options and opportunities available to BDS graduates.
- Topics may have included options such as pursuing postgraduate studies (MDS), starting a private dental practice, entering academia, or exploring research and public health dentistry.
- The lecture may have also addressed the benefits and challenges associated with each career path, helping participants make informed decisions about their future.

- Dr. Moushmi CB may have provided insights into the educational and professional requirements for different career choices and the importance of continuous learning and skill development.
- The program likely aimed to empower BDS graduates with knowledge about the various paths they could take after completing their undergraduate dental education.

The "What After BDS" program, led by Dr. Moushmi CB, MDS, served as a valuable resource for the 147 participants, helping them navigate the crucial decision-making process that follows the completion of their BDS degree. It provided insights into the diverse career opportunities available within the field of dentistry and encouraged informed choices for their professional journey ahead.

### REPORT

**PROGRAMME** : Dentistry During Covid Times – What to Expect?  
**PRESENTED BY** : Dr. Sharon Vincent, MDS  
**DATE** : 14-02-2020  
**VENUE** : Lecture hall - 1  
**TIME** : 10.30 am

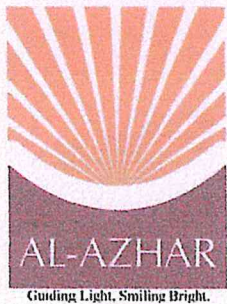

The uncertainties relating to the nature of Covid -19 pandemic, the nature of disease, the constant mutations in virus led to this discussion on what to expect as a dental professional during Covid times. The program began with a prayer and welcome address by the Principal. Strict social distancing was followed in seating arrangement with all participants wearing masks. Importance of social distancing, hand sanitization protocol, and masks were emphasized.

As SARS-CoV-2 spreads rapidly through respiratory droplets, it poses a risk for both patients and the dentist. Hence the latest selective treatment protocols for essential and emergency dental procedures were discussed. Infection control and methods to minimize aerosol generation were elaborated. Action plan for safe and efficient working to the college with minimal staff on rotational duty, introduction of PPE kits in operatories, role of tele dentistry in non -emergency situations were highlighted. The program concluded with a note of reassurance of dealing with the challenging situation faced by the world as a team ensuring interpersonal safety.
