REPORT

Programme: Dental camp

Date: 17/06/2022

Venue: YWC Hall, pulimootil plaza, Thodupuzha

YWC in association with BSS institute of advance studies and Al Azhar Dental College conducted a dental camp on 17th of June at YWC Hall, pulimootil plaza, Thodupuzha. The function was inaugurated by honourable Thodupuzha municipal chairperson Mrs jessy jhony. And the presidential address was given by YWC president Mrs Mary antony. The YWC members, BSS college coordinators all took part in the camp. Dr tency, professor at Al Azhar Dental College (Public health dentistry) accompanied with 6 interns, a group of students and a staff member reached the venue by college van at 9am. They were warmly welcomed by the members of program Committee. Dr Tency felicitated the gathering. A room with tables and chairs was setup for dental checkup. A set of instruments and case papers were carried. Dental checkup for all age groups was conducted. 65 patients attended the camp, and they were given demonstration on brushing techniques. The camp ended at 1pm, it was a very educational experience.

REPORT

Programme:- MEGA MEDICAL CAMP

Date:18/06/2022

Venue: St Joseph Higher secondary school, karimanoor

Ellamdesham block panchayath in coordination with Thodupuzha Al Azhar Dental College conducted a mega medical camp on 18th of June at St Joseph Higher secondary school, karimanoor. The function was inaugurated by honourable Thodupuzha MLA Mr PJ Joseph. And the presidential address was given by president of Ellamdesham block panchayath mr Mathew k John. Vice president Mrs danimol Varghese gave the keynote address regarding the camp. Both the medical and dental professionals took part in the camp. The camp had services from dental, general medicine, pediatrics, pulmonology, dermatology, general surgery, orthopaedics, ophthalmology and ENT departments. Emergency medicines were provided free in the camp. Patients who attended the camp were given 30% discounts on further treatment in the college. Head of the department (Public health dentistry) Dr Abdul zaheer, accompanied with a group of 8 interns and a staff member reached the venue by college van at 9am. They were warmly welcomed by the members of St Joseph school. A room with tables and chairs was setup for dental checkup. A set of instruments and case papers were carried. Dental checkup for all age groups was conducted. 32 patients attended the camp, and they were given demonstration on brushing techniques. The camp ended at 1pm, it was a very educational experience.

Programme: Dental treatment camp

Venue: Mariyasadhanam, Pala

Mariyasadhanam in coordination with Al Azhar Dental College has decided to conduct a dental treatment camp at Mariyasadhanam. All the coordinators from Mariyasadhanam took part in the camp. Dr Tency Mathew, staff of Public Health Dentistry, Al Azhar Dental College accompanied with 10 interns, and a staff member reached the venue by college van at 10am. They were warmly welcomed by the members of program Committee. All the facilities were here. A set of instruments, medication and case papers were carried. Restorations, scaling and extractions were done and medicines were given for needed ones. 15 patients were examined and treated. The camp ended at 1pm, it was a very educational experience and has to be followed up for the treatment in the next week.

Programme: Dental treatment camp

Date: 28/7/2022

Venue: Divyareshalayam Mylacombu

Divyareshalayam in coordination with Al Azhar Dental College had conducted a dental treatment camp at divyareshalayam, Mylacombu. All the coordinators from divyareshalayam all took part in the camp. Dr Tency Mathew, staff of Public Health Dentistry, Al Azhar Dental College accompanied with 4 interns, and a dental assistant reached the venue by college van at 10am. They were warmly welcomed by the members of program Committee. All the facilities were there. A set of instruments, case papers and medications were carried. Dental treatment for all age groups was done including extractions, scaling and restorations. Medications including analgesics and antibiotics were given. Treatment of about 20 patients were done. The camp ended at 1pm, it was a very educational experience and has to be followed up for the treatment in the next week.
