INTERNATIONAL STUDENTS' CELL / NRI CELL

International students cell of Al Azhar Dental College was formed in July 20th, 2021.

OBJECTIVES:

1. Assistance with admissions: The International students cell assists NRI students with the admissions process, including providing information on courses, eligibility criteria, and admission procedures. The International students cell may also help with the application process and provide guidance on visa requirements and other documentation.
2. Support for academic and non-academic activities: The International students' cell provides support to NRI students throughout their academic journey in the dental college. This support may include academic counselling and guidance on non-academic activities such as cultural events and extracurricular activities.
3. Cultural and social support: The International student's cell helps NRI students integrate into the local culture and provides support for social and cultural activities. This can be particularly important for NRI students who may feel homesick or experience culture shock.

GUIDELINES

1. Student should be a Non-Resident Indian (NRI) or NRI sponsored candidates (sponsored by NRI parents or brother/ sister of parents or brother/ sister of the candidate or grandparents of the candidate or spouse of the candidate)
2. Students must make use of all the facilities provided by the institution for the improvisation of their cultural as well as academic activities.
3. Students having any grievances or complaints must communicate with the committee staff members.
