Seminar Report

Topic: Lecture on occlusion, TMJ and the role of dentist

Date: 16 August 2019

Speaker: Dr. Litto Manuel

Time: 10:30 AM to 12:30 PM

Venue: Lecture Hall 3

The lecture was held on 16 August 2019 at Lecture Hall 3 from 10:30 AM to 12:30 PM. Dr. Litto Manuel, an expert in occlusion and TMJ disorders, was the speaker.

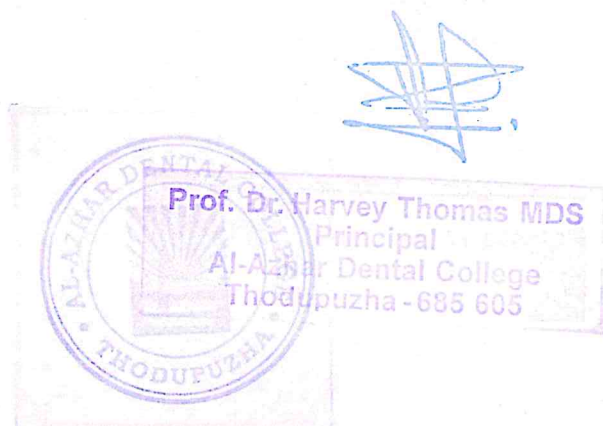

The programme was inaugurated by Dr. Vinny Mary Oommen. She welcomed the guests and participants to the lecture and introduced the speaker.

Dr. Litto Manuel then gave a comprehensive presentation on the topic, discussing the anatomy and physiology of occlusion, the causes of TMJ disorders, and the role of the dentist in the diagnosis and treatment of these disorders. He also highlighted the importance of early diagnosis and treatment of TMJ disorders to prevent further damage to the teeth, jaw, and muscles.

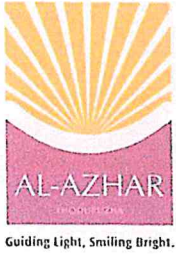

The event was attended by a large number of dentists. The participants were very interested in the topic and asked many questions. Dr. Litto Manuel answered the questions patiently and in detail.

Dr. VA Afzal, Principal of the institute, concluded the event by thanking the speaker and the participants for their interest in the topic. He also stressed the importance of dentists being aware of the signs and symptoms of TMJ disorders so that they can properly diagnose and treat these disorders.

The vote of thanks was given by Dr. Jacob Varghese, Head of the Department of Prosthodontics. He thanked the speaker, the participants, and the organizing committee for their contributions to the success of the lecture.

Topic: Medical Emergencies in Dental Practice

Date: 02 March 2020

Speaker: Dr. Hisham Mohammed Ibrahim

Time: 10:00 am to 1:30 pm

Venue: Mini Auditorium

A lecture on Medical Emergencies was held on 2nd March 2020 at Mini Auditorium from 10:00 AM to 1:30 PM. The speaker was Dr. Hisham Mohammed Ibrahim, a Professor at the Department of Oral and Maxillofacial Surgery.

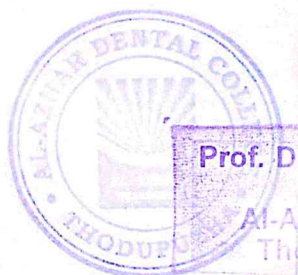

It was inaugurated by Dr. Basil M Jacob, who welcomed the guests and participants. He also introduced the speaker.

Dr. Hisham Mohammed Ibrahim then gave a comprehensive lecture on the topic, discussing the different types of medical emergencies, such as cardiac arrest, stroke, and seizures. He also highlighted the signs and symptoms of each emergency and the steps that should be taken to provide first aid.

The event was attended by a large number of dentists. The participants were very interested in the topic and asked many questions. Dr. Hisham answered the questions patiently and in detail.

Dr. VA Afzal, Principal of the institute concluded the lecture. He thanked the speaker and the participants for their interest in the topic. He also stressed the importance of being prepared for medical emergencies.

The vote of thanks was given by Dr. Augustine Daniel, Head of the Department of Oral and Maxillofacial Surgery. He thanked the speaker, the participants, and the organizing committee for their contributions to the success of the lecture.

Faculty Speaker : Dr Renju Raj A , Pediatric Dentist, Irinjalakuda
Date : 21-03-22
Venue : Lecture Hall I
Platform : Offline
Participants : 52 (Students:37, Staffs:15)

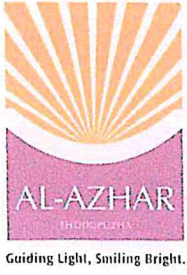

The CDE programme was conducted by Department of Pediatric and Preventive Dentistry on 22nd march 2022 from 10.30 am to 12.30pm. The programme was initiated with a prayer and the gathering was addressed by our respected Principal, Dr. Harvey Thomas followed by a welcome speech by Dr RenuAnn Mathew, HOD, Department of Pediatric and Preventive Dentistry. After that, Dr Stacey Thomas gave a brief introduction about the guest speaker. Dr Renju then delivered a very useful and informative presentation focusing the topic, mainly considering the undergraduate students because of its importance both exam wise and for regular clinical practice. The class was interactive and very refreshing for new dental graduates as well as those into established practice and concluded with a Q&A session clearing the doubts of the budding dentists.

Finally, vote of thanks was given by Dr Sharon Vincent, thanking the respected speaker for conducting a wonderful session for us, also Principal Dr Harvey Thomas, IQAC coordinator Dr Litto Manuel, AO Dr Amal and management were thanked for all their support. Then on behalf of the college and management Dr Harvey Thomas, presented a memento to Dr Renju Raj as a token of appreciation. Dr Renju then did the honours of giving the certificates to the participants for their participation. Meanwhile the feedback forms were collected and attendance marked. The programme came to an end with a photosession.

Seminar Report

Topic: Introduction to RVG

Date: 15 July 2022

Speaker: Dr. Jayesh J Unnithan

Time: 10:00 AM to 1:00 PM

Venue: Lecture Hall 4

The seminar on Introduction to RVG was held on 15 July 2022 at Lecture Hall 4 from 10:00 AM to 1:00 PM. The speaker was Dr. Jayesh J Unnithan, reader in Department of Oral Medicine and Radiology.

The programme was inaugurated by Dr. Anjana Mohan Kumar, who welcomed the guests and participants. She also introduced the speaker.

Dr. Jayesh J Unnithan then gave a comprehensive seminar on the topic, discussing the basics of RVG, its applications, and the latest advances in the field. He also highlighted the importance of RVG in the diagnosis and treatment of dental diseases.

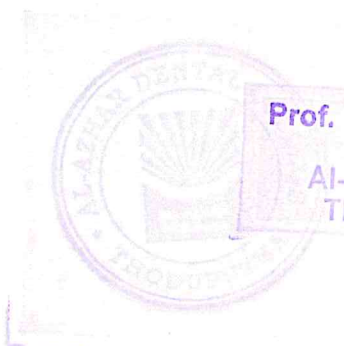

The seminar was attended by a large number of dentists. The participants were very interested in the topic and asked many questions. The speaker answered the questions patiently and in detail.

Dr. VA Afzal, Principal of the institute concluded the programme. He thanked the speaker and the participants for their interest in the topic. He also stressed the importance of RVG in the modern practice of dentistry.

The vote of thanks was given by Dr. Rema, Head of the Department of Oral Medicine and Radiology. She thanked the speaker, the participants, and the organizing committee for their contributions to the success of the lecture-seminar.
