INTRODUCTION

Al Azhar Dental College (AADC) stands as a testament to the visionary leadership of Mr. K. M Moosa. Located on a sprawling 55-acre campus within the Al Azhar education hub, AADC maintains its unique identity while benefiting from collaboration with sister institutions. Our commitment to excellence drives us in all our endeavours.

AADC strives to be a premier academic institution recognized nationally for its leadership and excellence in teaching, learning, and research. Our curriculum emphasizes upon innovation and practical skills, ensuring that our students are well-prepared for the challenges of the dental profession.

We place a strong emphasis on faculty development, enabling our educators to stay at the fore front of dental education. Continuous training and workshops are conducted to enhance their teaching and clinical skills.

The institution offers continuing dental education programs to keep faculty and students updated with the latest advancements in the field. These programs contribute to our commitment to lifelong learning and professional growth.

Our commitment to social responsibility is evident through our community outreach programs. We provide dental care to underserved communities, organize oral health awareness campaigns, and engage in various philanthropic initiatives.

AADC boasts modern infrastructure, including a well-stocked library and Wi-Fi connectivity. We continuously invest in state-of-the-art facilities to provide students with the best learning environment.

Our institution takes pride in the achievements of our students and faculty members. They have excelled in academic and clinical fields, receiving recognition and accolades at regional and national levels.

In addition to academic excellence, we encourage extracurricular activities such as sports, seminars, and workshops to foster a well-rounded education.

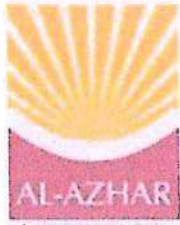

AADC promotes cultural diversity and creativity. Cultural festivals, art exhibitions, and music performances enrich the campus experience, fostering cultural exchange and creativity.

The college is committed to furthering its educational and research initiatives. We aim to expand our academic offerings, enhance research facilities, and strengthen our community engagement efforts.

VISION:

To be a premier academic institution recognized nationally for its leadership and excellence in teaching, learning, and research, upholding humanitarian principles.

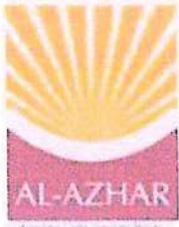

MISSION:

- To prepare each student for academic, social, and personal success by instilling competency, creativity, and courage to act on their belief.
- To pursue excellence in education by imparting a comprehensive student experience through an evidence-based academic and clinical approach for rendering world-class oral health care with the utmost empathy, compassion, and social commitment
- To bring necessary changes as dictated by the current needs of the profession in the course structure and design, collaborating with the affiliating and apex bodies.
- To equip dental professionals to adapt to the ever-changing dental technologies, treatment modalities, and practices through continuing dental education programs.
- To spread awareness to the public on the prevention of oral diseases and provide panoramic oral health care to the penurious population focusing on the ideology of 'Oral Health for Overall Health'

CHAIRMAN'S MESSAGE

SRI. K. M. MOOSA

'Whenever a question on education is raised, the following quote always comes to my mind: "The whole purpose of education is to turn mirrors into windows." The first college of Al-Azhar opened in 2002 with a mission to empower the youth of India through education. I believed that the development of the nation would happen by itself if we can foster the youngsters. Through the years, Al-Azhar has structured an effective and holistic education system that prepares the students to be an effective and efficient workforce and make the best use of the opportunities that the industry sends their way. The best example of this is the students of the Dental College itself. State-of-the-art facilities, an education-oriented campus, research opportunities, etc ensure that our students graduate at the top of their game. Their learning has expanded and they are prepared to make a difference. The vibrancy of our campus makes it an ideal environment for students to grow mentally and intellectually. It's a proud moment for me, as the founder of Al - Azhar, to see our students excelling in their careers and life in various corners of the world.'

PRINCIPAL'S MESSAGE

Prof Dr. Harvey Thomas

At Al-Azhar Dental College, we sincerely believe that just by imparting knowledge to the students, education is not complete. In today's competitive world, grooming the students through a holistic approach, right from their beginning as a fresher, through various personality development programs along with providing the best academic and clinical knowledge is what the mentors should do. We have all the state-of-the-art facilities, infrastructure, and competent teachers, under the guidance of visionary management, to provide a perfect balance of academic, sports, artistic, and social opportunities.

We at AADC, constantly strive to ensure our student's well-being and emotional growth along with intellectual excellence, so as to develop them into responsible and esteemed dental surgeons, who are competent enough in the most challenging environments that they may have to face in the future. Our dedicated teaching staff at AADC leaves no stone unturned to churn out responsible young citizens, who are inculcated with all the required humanitarian values, through value-based quality and integral education, so that they may empower others and be exceptional ambassadors of their profession to create a better society for tomorrow.'

INFRASTRUCTURE ADVANCEMENTS:

Al Azhar Dental College is a prestigious institution that has a well-developed high-tech campus of 6 acres 64 cents, equipped with modern facilities and learning resources to achieve academic excellence according to its vision and prospective plans. The infrastructure is as per DCI and KUHS norms and standards. The infrastructure facilities include:

- 1. LECTURE HALLS:** All Five Lecture halls are equipped with Computer aided teaching facilities such as smart boards with internet connectivity and a seating capacity of 100 seats which is being utilized for conducting classes, conferences, and CDE programs and is under 24x7 CCTV surveillance.
- 2. SEMINAR HALLS:** There are Nine Seminar halls in each department that are fully equipped with necessary IT peripherals, projectors, whiteboards, and internet connectivity for conducting seminars and workshops giving the best quality of education.
- 3. FACILITIES FOR TELECONFERENCING:** We have a conference hall with all amenities for teleconferencing facilities.
- 4. FACILITIES FOR CLINICAL LEARNING:** Apart from conventional radiographic techniques, OPG facilities, intra-oral cameras, advanced dental microscopes, implants, etc are used for student learning.
- 5. SATELLITE DENTAL CLINICS:** As this Institution is situated in a rural location in the Idukki district location of the state, the Institution has a fully equipped Mobile Dental Van to promote community-oriented dental education, giving awareness classes on oral health and to provide dental treatments. This Institution has established Satellite dental clinics to provide extended care.
- 6. LABORATORY FACILITIES:**
 - Advanced pre-clinical laboratories with simulation labs and skill labs are available in the institution.
 - Prosthodontics and Conservative Dentistry departments have phantom models for the benefit of students before starting their clinical postings.
 - Well-equipped histopathology and haematology laboratories along with incubation centres are there for patient care.

- Basic Science (Anatomy, Physiology, Biochemistry, etc.) laboratories with cadaver models & specimens.

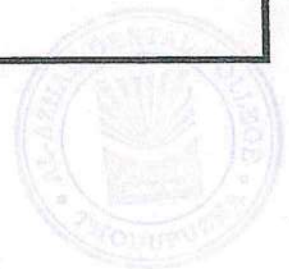

7. COMPUTING FACILITIES: We have 55 computers in the institution available for student and staff use with uninterrupted internet connectivity. The institution also has a well-equipped computer lab adjacent to the central library situated on the fourth floor.

8. SUPPORT FACILITIES: These include a Tobacco Cessation center, a Comprehensive clinic for patient well-being, and a Dental museum for patient education.

9. LIBRARY EXPANSION: The dental college has undertaken a significant expansion of its library facilities to cater to the growing needs of its students and faculty. To support the diverse academic needs of dental students, the library expansion focused on expanding and diversifying its collection of books, journals, research papers and other relevant resources.

• Future Plans

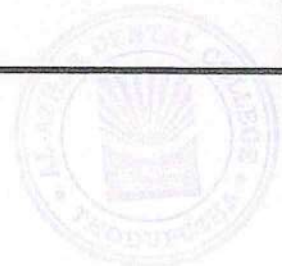

1. The college is planning for post-graduation programs in various departments.
2. To introduce CAD-CAM facility in the department of prosthodontics.
3. To achieve accreditation from standardisation bodies like ISO, NABH, NAAC and NIRF to enhance the quality of the institution.

In conclusion, Al Azhar Dental College (AADC) remains dedicated to providing a holistic dental education, nurturing talented individuals, and making a positive impact on the community. We owe our success to the unwavering commitment of our founder, Mr. KM Moosa, and the relentless pursuit of excellence by our faculty, students, and staff. As we move forward, we are excited about the possibilities and opportunities that lie ahead, and we remain steadfast in our mission to shape the future of dentistry.

ANNUAL REPORT OF THE ACADEMIC YEAR 21-22

INTRODUCTION

Al Azhar Dental College (AADC) is dedicated to providing high-quality education in the field of dentistry upholding humanitarian principles. AADC's commitment to excellence extends to all aspects of the institution, including teaching, research, and clinical practice. The college had a productive academic year 2021-2022 with various achievements and activities. The institution had ninety (90) faculty members committed to providing quality education and research support. We achieved full occupancy in our BDS program with 100 out of 100 seats filled, reflecting our popularity and demand among aspiring dental students. The institution signed 4 Memorandums of Understanding with two satellite centers, pharmacy college and an NGO, indicating collaborations and partnerships with other organizations for academic and research purposes.

Our faculty members contributed significantly to research, with 15 national and international publications during the year. The college conducted several workshops, seminars, faculty development programs, and Continuing Dental Education (CDE) programs to enhance the skills and knowledge of both faculty and students. Special emphasis was placed on gender equity programs, promoting inclusivity and equality within the institution.

Numerous staff and students received excellence awards, acknowledging their outstanding contributions to academia and society. Dr. Moushmi received the "Best Continuing Dental Education (CDE) Activity Award" from the Indian Dental Association (IDA) Kerala chapter, recognizing her dedication to professional development. Dr. Moushmi was also honored with the "Global Faculty Award" by Ask Education Awards, underscoring her international recognition and contributions to education.

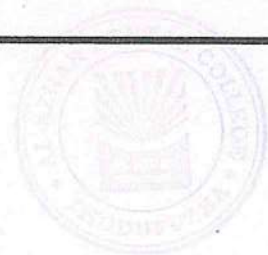

The institution secured funding for 3 research projects from the Indian Council of Medical Research (ICMR), highlighting its commitment to cutting-edge research.

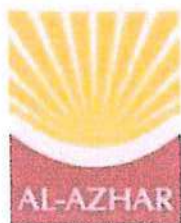

The student council actively engaged in various activities, fostering student leadership and participation in college affairs.

These accomplishments and activities reflect a dynamic and thriving academic environment at Al Azhar Dental College during the 2021-22 academic year.

ANNUAL ALUMNI MEET

STUDENT UNION- ASTERIA

ASTERIA Student's Union (2021-2022): It was inaugurated by Adv. K.M. Mijas. Various competitions like Rangoli, Environment Day celebrations, Drawing and Writing competitions, World Music Day s, Independence Day celebrations, Onam celebrations, and Christmas celebrations enriched the college calendar. The Union also organized programs like Covishoot, Game of Shadows, and Say No to Dowry, aiming to raise awareness among students on critical issues. "Dentfest"2k21, a 4-day Intra-College Arts and Sports Fest, further added to the vibrancy of the Union's tenure.

In conclusion, Al Azhar Dental College (AADC) continues to stand firm in its dedication to delivering a comprehensive dental education, fostering the growth of talented individuals, and leaving a lasting positive impression on the community. Our achievements can be attributed to the steadfast commitment of our visionary founder, Mr. K M Moosa, as well as the tireless pursuit of excellence demonstrated by our exceptional faculty, students, and staff. As we embark on the journey ahead, we are filled with enthusiasm for the potential and prospects that await us, and we remain resolute in our mission to shape the future of dentistry.

INTRODUCTION

Al Azhar Dental College has a strong commitment to excellence in all aspects of the institution, including teaching, research, and clinical practice. The college boasts a dedicated faculty of 75 members who are committed to providing quality education and research support. AADC's BDS program achieved full occupancy with all 100 seats filled. Faculty members and students received awards and words of appreciation for their selfless service during the pandemic. Numerous staff and students received excellence awards for their outstanding contributions to academia and society, further highlighting the institution's commitment to excellence. The Faculty members contributed significantly to research with 19 national and international publications, as well as the publication of two books by Dr. Renu Ann Mathew and Dr. Surya Suprabhan. The Internal Quality Assurance Cell was inducted to prepare the institute for accreditation and quality improvement initiatives.

AADC conducted various workshops, seminars, faculty development programs, and Continuing Dental Education (CDE) programs to enhance the skills and knowledge of both faculty and students. Special emphasis on gender equity programs was given. The college successfully adapted to distance learning and online education during lockdown, ensuring that education continued despite the challenges posed by the pandemic.

The student council played an active role in various activities, fostering student leadership and participation in college affairs, even during lockdown.

The academic environment at Al Azhar Dental College, is dedicated to providing quality education and making a positive impact on both students and the dental profession.

INTERNAL QUALITY ASSURNACE CELL

On March 25, 2021, the institution established its Internal Quality Assurance Cell with the goal of developing a streamlined system for preserving and enhancing the administrative and academic quality of the organization. The IQAC is chaired by the institution's principal. Other members of IQAC include senior faculty, senior administrative, management, and community representatives as well as students and alumni. The IQAC, along with the several committees created under it, ensures decentralization and inclusive management from all the institution's stakeholders.

Issues pertaining to enhancing the institution's quality are discussed during quarterly meetings. The IQAC develops the annual plan for the succeeding year, which includes all of the different academic and extracurricular activities. The IQAC solicits stakeholder feedback to assess the institution's academic performance and to comprehend the perspectives and expectations of the students. This information is used to change the activities in order to increase the institution's academic standards and assist us reach new heights.

IQAC ensures the quality of education and services provided by the institution by collecting and analyzing feedback from stakeholders, identifying areas for improvement, organizing workshops and conferences, and preparing accreditation documents for NAAC. It plays a crucial role in meeting required standards for accreditation and continuous improvement.

STUDENT UNION- NAHASRA

Despite the challenges posed by the Covid-19 pandemic, the Nahasra Student's Union, inaugurated by Actor Mr. Vinay Fort adapted to the new normal and organized online platform-based Creative Competitions. This Union adeptly organized online competition 'Curfew Art Cafe,' which provided students with an outlet for their talents. It also focused on contributing to society by conducting a 'Blood Donation Camp' and Covid-19 awareness programs, establishing a Corona help desk, and distributing pamphlets in local areas.

In conclusion, despite the challenges imposed by the global pandemic, Al Azhar Dental College (AADC) stands resolute in its commitment to delivering a comprehensive dental education, nurturing the potential of talented individuals, and leaving a positive imprint on the community. Our enduring success is indebted to the unwavering dedication of our management and the tireless pursuit of excellence exhibited by our exceptional faculty, students, and staff.

As we navigate the path forward, we are fueled by enthusiasm for the myriad possibilities and opportunities that await us. We remain unwavering in our mission to shape the future of dentistry, continuing to inspire and empower the dental professionals of tomorrow. The challenges of the global pandemic have only strengthened our resolve, and we look forward to the positive impact we will continue to make in the field of dentistry and beyond.

RUN BY NOORUL ISLAM TRUST

PERUMPILICHIRA P. O., THODUPUZHA, IDUKKI DIST., KERALA- 685 605

ALUMNI

The Alumni Association has always served as a bridge between the college or institute and its graduates, fostering a sense of community, providing support and opportunities, and helping to ensure that the institution's legacy continues to thrive.

STUDENT UNION INCENDIO

The Union "Incendio", was inaugurated on 1st January, 2019' by Cine actor Mr. Bipin Jose. A cake baking competition was also conducted on the same day. Dental week was conducted by them in which the whole college was divided into 4 different groups. Each Group was involved in various cultural activities and had unique logos and Jerseys. They also conducted Onam celebration, Christmas celebration, Ethnic day and Inter-Department Food Fest and formal commencement of 2019-20' batch.
