REPORT

Seminar Title: Overseas Career Guidance Seminar

Date: 22nd February 2023

Venue: Lecture Hall 1, Al Azhar Dental College

Speaker: Miss Shobitha Thomas (Project Manager, Santa Monica)

Number of Participants: 182

Summary:

- The seminar on "Overseas Career Guidance" aimed to provide valuable insights and guidance to individuals interested in pursuing overseas career opportunities.
- Miss Shobitha Thomas, who holds the position of Project Manager at Santa Monica, served as the resource person for this seminar.
- The event gathered a substantial audience of 182 participants, all of whom were likely interested in exploring career options abroad.

Key Points Covered:

- Miss Shobitha Thomas likely discussed various aspects of overseas career opportunities, including studying abroad, working internationally, and immigrating for career purposes.
- Topics may have included information about different countries as study or work destinations, visa requirements, admission processes for international universities, and scholarship opportunities.
- The seminar may have covered career paths and job prospects in various fields and industries overseas.

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) - Crash Course Report 2022-2023

Introduction:

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) conducted a 10-day crash course from 5th December 2022 to 13th February 2023. The primary objective of this program was to prepare students of Al Azhar Dental College for the upcoming NEET MDS exam. The course aimed to provide comprehensive coaching and guidance to enhance the students' chances of success.

Enrollment:

A total of 51 students from Al Azhar Dental College enrolled in the crash course. These students were keen to gain focused preparation and guidance to excel in the NEET MDS examination.

Faculty and Classes:

The crash course featured experienced faculty members and Heads of Departments (HODs) from various departments within Al Azhar Dental College. The faculty members were experts in their respective fields and provided specialized instruction to the students.

Course Content:

The crash course covered all the major subjects and topics relevant to the NEET MDS exam. The curriculum included comprehensive lectures, in-depth discussions, and problem-solving sessions. The course content was designed to ensure that students had a thorough understanding of the key concepts and were well-prepared for the exam.

Previous Year Question Papers:

During the crash course, previous year question papers were extensively discussed. Analyzing and solving these papers allowed students to familiarize themselves with the exam pattern, identify important topics, and practice time management skills. The discussions provided valuable insights into the exam structure and helped students develop effective strategies for tackling the NEET MDS exam.

PERUMPILICHIRA P. O., THODUPUZHA, IDUKKI DIST., KERALA- 685 605

Doubt Clearing Sessions:

At the end of each day, doubt clearing sessions were conducted to address any questions or concerns that students had. The faculty members and HODs patiently answered queries, clarified doubts, and provided additional explanations to ensure that students had a clear understanding of the concepts covered in the course.

Benefits to Students:

The crash course offered several benefits to the students of Al Azhar Dental College. Some of the key advantages include:

Enhanced understanding of key concepts and subjects relevant to the NEET MDS exam.

Exposure to previous year question papers, enabling students to practice and refine their problem-solving skills.

Increased familiarity with the exam pattern and structure.

Improved time management skills to effectively manage the exam duration.

Direct access to experienced faculty members and HODs for personalized guidance and doubt clarification.

Conclusion:

The 10-day crash course conducted by Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) from 5th December 2022 to 13th February 2023 proved to be highly beneficial for the 51 students from Al Azhar Dental College who enrolled in the program. The course provided comprehensive coaching, including lectures, discussions, and doubt clearing sessions, to prepare the students for the upcoming NEET MDS exam. Through this crash course, the students gained valuable knowledge, practice, and guidance, which will contribute to their success in the examination

Program Title: What After BDS

Date: January 5, 2022

Venue: Lecture Hall 1, Al Azhar Dental College

Resource Person: Dr. Amitha Basheer

Number of Participants: 169

Summary:

- The career guidance program, "What After BDS," was organized to assist dental graduates who had completed their BDS (Bachelor of Dental Surgery) degree and were exploring various career options.
- This program took place on January 5, 2022, at Lecture Hall 1, Al Azhar Dental College, and it attracted a total of 169 participants, all of whom were likely recent BDS graduates seeking guidance for their post-graduate career choices.

Key Points Covered:

- Dr. Amitha Basheer, as the resource person, likely discussed a wide range of career possibilities available to BDS graduates.
- The program may have included information on pursuing postgraduate studies in dentistry (MDS), both in India and abroad, and the admission procedures involved.
- Participants might have received insights into starting their own dental practices and the challenges and opportunities associated with private practice.
- The program may have covered other potential career paths, such as research, teaching, public health dentistry, and hospital-based dentistry.

REPORT

Programme: Professional Enrichment Programme, emphasizing the Importance of 'Mental Well Being and its Role in Profession.'

Faculty: Dr. Jose Joseph (MBBS, MD)

Date: 23-12-2021, Thursday

Venue: Lecture hall 1

Platform: Offline

No. of Participants: 54

A Professional Enrichment Programme, highlighting the Importance of 'Mental Well Being and its Role in Profession' was held on 23rd December 2021, Thursday in Lecture hall 1 of AADC. The Programme began at 10.30 am and there were about 54 participants, mostly comprising of Interns and Staff. Our Speaker for the day was none other than the distinguished Dr. Jose Joseph (MBBS, MD), current Principal of Al Azhar Medical College. Our esteemed Principal and Administrative Officer were also among those present for the session.

The Programme started off with prayer, followed by our Principal's address.

The session was initiated with a Personality Assessment Test, with active reciprocation from the audience. It was followed by the speaker throwing light on the key factors that help to impart a balanced living, professionally and personally.

The talk was quite lively and interactive, at the same time inculcating a positive aspect towards life.

The session continued for about two hours.

The programme concluded with a memento handover to our Guest Speaker Dr. Jose Joseph by our Principal, Dr. Harvey Thomas and our Administrative Officer Dr. Amal E. A. followed by vote of thanks by Dr. Amal E. A.

Report on Career Guidance Program – MCQ's in Periodontics

Presenter: Dr. Surya Suprabhan, MDS

Date: February 14, 2022

Venue: Lecture Hall

No of participants: 218

On February 14, 2022, a seminar titled "MCQ's in Periodontics" was conducted by Dr. Surya Suprabhan, who holds an MDS degree in Periodontology. The seminar took place in a lecture hall, providing an ideal setting for knowledge sharing and learning. The seminar primarily focused on the field of Periodontics and aimed to guide attendees on career opportunities and advancements within this discipline.

During the seminar, Dr. Suprabhan engaged the audience through multiple-choice questions (MCQs) related to Periodontics. Attendees had the opportunity to test their knowledge and gain insights into this field. Dr. Suprabhan provided explanations and insights after each MCQ to enhance understanding.

The seminar aimed to equip attendees with valuable information on career prospects in Periodontics, making it an informative and engaging session for those interested in this dental specialty.

REPORT

Lecture Title: Mucormycosis - Decrypting Darkness

Date: November 9, 2020

Venue: Lecture Hall 1, Al Azhar Dental College

Resource Person: Dr. Jayesh, MDS

Number of Participants: 145

Summary:

- The lecture was organized by the Department of Oral Medicine and Radiology at Al Azhar Dental College, focusing on the topic of "Mucormycosis."
- The event took place on November 9, 2020, at Lecture Hall 1, and it attracted 145 participants who were interested in understanding and addressing this medical condition.

Key Points Covered:

- Dr. Jayesh, MDS, likely provided an in-depth exploration of Mucormycosis, a rare but serious fungal infection.
- The lecture may have included information about the causes, risk factors, and clinical manifestations of Mucormycosis.
- Participants likely learned about the diagnostic methods used to identify the condition, including radiological and imaging techniques.
- The lecture may have also covered treatment options, emphasizing the importance of early intervention and multidisciplinary care in managing Mucormycosis cases.

- Given the context of the COVID-19 pandemic, there may have been discussions about the increased risk of Mucormycosis in COVID-19 patients and how to prevent and manage it.

The lecture on "Mucormycosis - Decrypting Darkness" by Dr. Jayesh, MDS, served as an important educational event for the 145 participants. It provided valuable insights into this fungal infection, including its diagnosis, treatment, and the implications of the condition in the context of the COVID-19 pandemic. This knowledge would have been beneficial for dental and medical professionals seeking to understand and address Mucormycosis cases.

Workshop Report: Tips and Tricks for Atraumatic Dental Extractions

Date: 5th May 2021

Venue: Seminar Hall, Department of Oral and Maxillofacial Surgery

Introduction: This report provides a detailed overview of the workshop titled "Tips and Tricks for Atraumatic Dental Extractions," organized by the Department of Oral and Maxillofacial Surgery. The workshop aimed to enhance participants' skills and knowledge in performing dental extractions with minimal trauma. The report outlines the workshop's objectives, presenter's profile, content covered, methodologies used, participant feedback, and its overall impact.

Workshop Objectives: The primary objectives of the workshop were as follows:

- To introduce participants to modern atraumatic dental extraction techniques.
- To enhance participants' understanding of pre-operative assessment and patient management.
- To provide insights into managing complications that may arise during extractions.
- To educate participants about effective post-operative care after extractions.

Presenter: The workshop was conducted by Dr. Hisham Ibrahim, who holds a Master's degree in Dental Surgery. Dr. Ibrahim is an experienced professional with a wealth of knowledge in the field of oral and maxillofacial surgery.

Workshop Details: The workshop took place in the Seminar Hall of the Department of Oral and Maxillofacial Surgery. The venue provided an ideal setting for an interactive and informative session. Dr. Hisham Ibrahim, as the presenter, skillfully navigated through various aspects of atraumatic dental extractions.

(APPROVED BY DENTAL COUNCIL OF INDIA & AFFILIATED TO KUHS)
RUN BY NOORUL ISLAM TRUST
PERUMPILlichira P. O., THODUPUZHA, IDUKKI DIST., KERALA- 685 605

Content Covered: The workshop covered a comprehensive range of topics, including:

- Importance of thorough pre-operative assessment and patient evaluation.
- Local anesthesia techniques for pain management during extractions.
- Surgical approaches to minimize tissue damage and preserve bone structure.
- Addressing complications such as impactions and fractured teeth during extractions.
- Post-operative care instructions to promote healing and prevent complications.

Workshop Highlights: The success of the workshop can be attributed to the following highlights:

- **Lectures and Discussions:** Dr. Hisham Ibrahim delivered engaging lectures supplemented by case studies and encouraged participant involvement through discussions.
- **Live Demonstrations:** Live demonstrations provided a practical understanding of the techniques being discussed.
- **Interactive Sessions:** Question and answer sessions facilitated the clarification of doubts and further enriched participants' understanding.

Participant Feedback: Feedback from participants highlighted the positive impact of the workshop:

- Attendees praised the workshop's organization and the presenter's expertise in delivering complex concepts.
- Participants expressed newfound confidence in their ability to perform atraumatic dental extractions.

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) - Crash Course Report 2020-2021

Introduction:

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) conducted a 10-day crash course from 25th January 2021 to 29th March 2021. The primary objective of this program was to prepare students of Al Azhar Dental College for the upcoming NEET MDS exam. The course aimed to provide comprehensive coaching and guidance to enhance the students' chances of success.

Enrollment:

A total of 46 students from Al Azhar Dental College enrolled in the crash course. These students were keen to gain focused preparation and guidance to excel in the NEET MDS examination.

Faculty and Classes:

The crash course featured experienced faculty members and Heads of Departments (HODs) from various departments within Al Azhar Dental College. The faculty members were experts in their respective fields and provided specialized instruction to the students.

Course Content:

The crash course covered all the major subjects and topics relevant to the NEET MDS exam. The curriculum included comprehensive lectures, in-depth discussions, and problem-solving sessions. The course content was designed to ensure that students had a thorough understanding of the key concepts and were well-prepared for the exam.

Previous Year Question Papers:

During the crash course, previous year question papers were extensively discussed. Analyzing and solving these papers allowed students to familiarize themselves with the exam pattern, identify important topics, and practice time management skills. The discussions provided valuable insights into the exam structure and helped students develop effective strategies for tackling the NEET MDS exam.

RUN BY NOORUL ISLAM TRUST

PERUMPILlichIRA P. O., THODUPUZHA, IDUKKI DIST., KERALA- 685 605

Doubt Clearing Sessions:

At the end of each day, doubt clearing sessions were conducted to address any questions or concerns that students had. The faculty members and HODs patiently answered queries, clarified doubts, and provided additional explanations to ensure that students had a clear understanding of the concepts covered in the course.

Benefits to Students:

The crash course offered several benefits to the students of Al Azhar Dental College. Some of the key advantages include:

Enhanced understanding of key concepts and subjects relevant to the NEET MDS exam.

Exposure to previous year question papers, enabling students to practice and refine their problem-solving skills.

Increased familiarity with the exam pattern and structure.

Improved time management skills to effectively manage the exam duration.

Direct access to experienced faculty members and HODs for personalized guidance and doubt clarification.

Conclusion:

The 10-day crash course conducted by Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) proved to be highly beneficial for the 46 students from Al Azhar Dental College who enrolled in the program. The course provided comprehensive coaching, including lectures, discussions, and doubt clearing sessions, to prepare the students for the upcoming NEET MDS exam. Through this crash course, the students gained valuable knowledge, practice, and guidance, which will contribute to their success in the examination

REPORT

Program: What After BDS

Date: December 16, 2019

Venue: Lecture Hall 1

Presenter: Dr. Moushmi CB, MDS

Number of Participants: 147

Summary:

- The program, "What After BDS," aimed to provide guidance and insights to dental students who had completed their BDS (Bachelor of Dental Surgery) degree and were contemplating their future career paths.
- The event was held on December 16, 2019, at Lecture Hall 1, and it attracted 147 participants, all of whom were likely recent BDS graduates seeking direction for their next steps.

Key Points Covered:

- Dr. Moushmi CB, MDS, likely discussed various career options and opportunities available to BDS graduates.
- Topics may have included options such as pursuing postgraduate studies (MDS), starting a private dental practice, entering academia, or exploring research and public health dentistry.
- The lecture may have also addressed the benefits and challenges associated with each career path, helping participants make informed decisions about their future.

- Dr. Moushmi CB may have provided insights into the educational and professional requirements for different career choices and the importance of continuous learning and skill development.
- The program likely aimed to empower BDS graduates with knowledge about the various paths they could take after completing their undergraduate dental education.

The "What After BDS" program, led by Dr. Moushmi CB, MDS, served as a valuable resource for the 147 participants, helping them navigate the crucial decision-making process that follows the completion of their BDS degree. It provided insights into the diverse career opportunities available within the field of dentistry and encouraged informed choices for their professional journey ahead.

Program: Practice Management

Lecture Title: Practice Management

Date: October 10, 2019

Venue: Lecture Hall 1

Presenter: Dr. Litto Manual, MDS

Number of Participants: 127

Summary:

- The program centered on the topic of "Practice Management" and featured a lecture by Dr. Litto Manual, who holds a Master of Dental Surgery (MDS) qualification.
- The event was held on October 10, 2019, at Lecture Hall 1, and it attracted 127 participants who were interested in the subject of dental practice management.

Key Points Covered:

- Dr. Litto Manual's lecture likely focused on the essential aspects of managing a dental practice effectively.
- Topics covered may have included administrative tasks, financial management, patient scheduling, staff management, and other key components of running a successful dental practice.
- The lecture may have also provided insights into best practices, strategies, and tips for dental practitioners to optimize the operations and growth of their clinics.
- Participants had the opportunity to gain valuable knowledge and skills related to the business side of dentistry, which is crucial for the success of any dental practice.

REPORT

Title: An Insight into the Branches of Dentistry

Date: July 12, 2019

Venue: Lecture Hall 1, Al Azhar Dental College

Speaker: Dr. Aby Kuruvilla, MDS

Number of Participants: 148

Summary:

- Dr. Aby Kuruvilla's talk, titled "An Insight into the Branches of Dentistry," was designed to provide attendees with a comprehensive understanding of the various specialized fields within dentistry.
- The event took place on July 12, 2019, at Lecture Hall 1 in Al Azhar Dental College and drew a crowd of 148 participants, all interested in exploring the diverse branches of dentistry.

Key Points Covered:

- Dr. Aby Kuruvilla likely discussed the different branches or specializations within the field of dentistry, providing insights into each.
- The talk may have covered fields such as orthodontics, periodontics, oral and maxillofacial surgery, endodontics, prosthodontics, pediatric dentistry, and more.
- Participants may have received information about the nature of work, responsibilities, and career prospects associated with each dental specialty.
- Dr. Kuruvilla have highlighted the educational and training pathways required to pursue a career in various branches of dentistry.

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) - Crash Course Report 2019-2020

Introduction:

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) conducted crash course from 2nd September 2019- 3rd November 2019. The primary objective of this program was to prepare students of Al Azhar Dental College for the upcoming NEET MDS exam. The course aimed to provide comprehensive coaching and guidance to enhance the students' chances of success.

Enrollment:

A total of 44 students from Al Azhar Dental College enrolled in the crash course. These students were keen to gain focused preparation and guidance to excel in the NEET MDS examination.

Faculty and Classes:

The crash course featured experienced faculty members and Heads of Departments (HODs) from various departments within Al Azhar Dental College. The faculty members were experts in their respective fields and provided specialized instruction to the students.

Course Content:

The crash course covered all the major subjects and topics relevant to the NEET MDS exam. The curriculum included comprehensive lectures, in-depth discussions, and problem-solving sessions. The course content was designed to ensure that students had a thorough understanding of the key concepts and were well-prepared for the exam.

Previous Year Question Papers:

During the crash course, previous year question papers were extensively discussed. Analyzing and solving these papers allowed students to familiarize themselves with the exam pattern, identify important topics, and practice time management skills. The discussions provided valuable insights into the exam structure and helped students develop effective strategies for tackling the NEET MDS exam.

Doubt Clearing Sessions:

At the end of each day, doubt clearing sessions were conducted to address any questions or concerns that students had. The faculty members and HODs patiently answered queries, clarified doubts, and provided additional explanations to ensure that students had a clear understanding of the concepts covered in the course.

Benefits to Students:

The crash course offered several benefits to the students of Al Azhar Dental College. Some of the key advantages include:

Enhanced understanding of key concepts and subjects relevant to the NEET MDS exam.

Exposure to previous year question papers, enabling students to practice and refine their problem-solving skills.

Increased familiarity with the exam pattern and structure.

Improved time management skills to effectively manage the exam duration.

Direct access to experienced faculty members and HODs for personalized guidance and doubt clarification.

Conclusion:

The crash course conducted by Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) proved to be highly beneficial for the 44 students from Al Azhar Dental College who enrolled in the program. The course provided comprehensive coaching, including lectures, discussions, and doubt clearing sessions, to prepare the students for the upcoming NEET MDS exam. Through this crash course, the students gained valuable knowledge, practice, and guidance, which will contribute to their success in the examination.

Program: Analytical Skill Development

Lecture Title: Focus on Solution, Not the Problem

Date: September 10, 2018

Venue: Lecture Hall 1

Speaker: Dr. Aby Kuruvilla

Number of Participants: 200

Summary:

- The program focused on "Analytical Skill Development" and featured a lecture titled "Focus on Solution, Not the Problem" delivered by Dr. Aby Kuruvilla.
- It took place on September 10, 2018, at Lecture Hall 1, and attracted a significant audience of 200 participants.

Key Points Covered:

- Dr. Aby Kuruvilla's lecture centered on the importance of developing analytical skills.
- The core message was "Focus on Solution, Not the Problem," emphasizing the need to shift one's attention from dwelling on problems to actively seeking and implementing solutions.
- The lecture likely included practical guidance and strategies for honing analytical skills and problem-solving abilities.
- Participants had the opportunity to learn how to approach challenges with a proactive mindset, identifying opportunities within problems.

REPORT

Program: Seminar on TIPS on NEET MDS

Date: October 15, 2018

Venue: Lecture Hall 1, Al Azhar Dental College

Participants: 155

Session Timeline:

- The session commenced at 10:30 AM with a prayer.

Seminar Content:

- Dr. Renu Ann Mathew, MDS, was the main speaker of the day
- The focus of the talk was on providing tips and tricks to successfully crack NEET MDS, which is known for its high level of competition.
- Dr. Mathew emphasized the following key points:
 1. **Setting Targets:** The importance of setting clear and achievable goals for NEET MDS preparation.
 2. **Study Patterns:** Discussing effective study patterns and strategies for better time management and retention of information.
 3. **Proper Study Materials:** Highlighting the significance of using quality study materials and resources for preparation.

The session was well deemed with active interaction with the audience. It was great that such seminars are organized to assist aspiring dental professionals in preparing for the challenging NEET MDS examination. These insights and strategies provided by Dr. Renu Ann Mathew was be valuable for students and interns looking to excel in their dental careers.

ANNUAL REPORT (2022-2023)

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC)

In the academic year 2022-2023, the Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) conducted two significant career guidance programs, benefiting a total of 233 students.

1. Overseas Career Guidance Program:

- Conducted by Miss Shobitha Thomas
- Attended by 182 students.
- Aimed at providing guidance to students aspiring for overseas career opportunities.
- Covered various aspects of pursuing higher education abroad, including admission procedures, exam preparations, and other essential details.
- Helped students make informed decisions about their international educational pursuits.

2. AAMC Crash Course:

- Attended by 51 students.
- A focused crash course designed to prepare students for their MDS exams.
- Provided intensive coaching, including subject-wise discussions, doubt-solving sessions, and exam strategies.
- Aimed at ensuring a thorough and effective preparation for MDS exams.
- Benefitted students by enhancing their knowledge and exam-taking skills.

Strategies for Improvement:

The committee members of AAMC actively discussed strategies for improvement to further enhance the program and meet the evolving needs of the students. They evaluated the feedback received from students, faculty, and alumni to identify areas that require improvement and implemented necessary changes.

In total, these two career guidance programs conducted during the 2022-2023 academic year at AAMC catered to the needs of 233 students. These programs played a crucial role in equipping students with the necessary knowledge and skills to pursue their desired educational and career paths successfully.

ANNUAL REPORT (2021-2022)

Al Azhar Academy for MDS Coaching And Career Guidance (AAMC)

I. Introduction:

The Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) continued its mission of assisting students and interns aspiring to pursue higher education in the field of MDS (Master of Dental Surgery) both in India and overseas. Despite the ongoing COVID-19 restrictions, AAMC successfully conducted several online programs and sessions to support the students.

II. Dental Career Advancement Program for Interns:

AAMC organized a special program on online mode titled "Dental Career Advancement Program for Interns" to cater to the needs of the interns. This program aimed to provide guidance and support to interns by addressing their concerns and helping them plan their future careers. The program consisted of several sessions conducted by experts in the field.

III. Sessions Conducted:

"Recalibrate and Reboot" by Dr. Aparna Pandya: This session focused on rethinking possibilities after graduation in dentistry. The session provided valuable insights and guidance on career options and paths for the students. A total of 149 students attended the session and benefited from the information shared.

"Mental Well-being in the Profession" by Dr. Jose Joseph: This program, held on December 23, 2021, aimed to help students combat stress and challenges in their dental profession. The session focused on mental well-being and provided strategies to manage exam-related anxiety. It was attended by 54 students who found the session beneficial in navigating the challenges they faced.

"What after BDS" by Dr. Amitha Basheer: This session, conducted on January 5, 2022, provided students with insights into various options available for MDS preparation in India and placement

methods abroad. Dr. Amitha Basheer, an alumna of Al Azhar Dental College, shared her experiences and knowledge, guiding the students in making informed decisions about their career paths. The session was attended by 169 students.

MCQ's in periodontics was conducted by Dr. Surya Suprabhan MDS on 14/02/2022. It was attended 218.

IV. Strategies for Improvement:

The committee members of AAMC actively discussed strategies for improvement to further enhance the program and meet the evolving needs of the students. They evaluated the feedback received from students, faculty, and alumni to identify areas that require improvement and implemented necessary changes.

V. Conclusion:

Five hundred and ninety students attended the course and were benefitted. The Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) remained committed to its mission of providing comprehensive guidance, coaching, and support to students and interns aspiring to pursue MDS education. Despite the challenges posed by the COVID-19 pandemic, AAMC successfully conducted online programs and sessions that addressed the career advancement and well-being of the students. The academy will continue to adapt and improve its offerings to ensure the success of its students in the field of MDS

ANNUAL REPORT (2020-2021)

AL AZHAR ACADEMY FOR MDS COACHING AND CAREER GUIDANCE (AAMC)

I. Introduction:

The Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) continued its mission of assisting students and interns aspiring to pursue higher education in the field of MDS (Master of Dental Surgery) both in India and overseas. Due to the COVID-19 pandemic, only a limited number of programs could be conducted during the 2020-2021 academic year.

II. Programs Conducted:

Despite the challenges posed by the pandemic, AAMC managed to organize one session during the year. "Mucormycosis," was conducted by Dr. Jayesh and highlighted the clinical relevance of this fungal infection. With 145 students in attendance, the session provided insights into the diagnosis, treatment, and prevention of mucormycosis. This topic was of particular importance during the pandemic, as cases of mucormycosis were on the rise.

Another program "Tips and Tricks for Atraumatic Dental Extraction" was conducted by AAMC where the keynote speaker was Dr. Hisham Ibrahim wherein he explained various tips for easy dental extractions. The session was attended by 50 students

III. Alumni Engagement:

To provide guidance and inspiration to the interns, AAMC invited successful alumni who had cleared past exams with excellent results. These alumni shared their experiences, strategies, and insights to motivate and guide the students. Their presence proved valuable in helping interns understand the requirements and expectations of the exams.

IV. Program Outcomes:

Despite the limited number of programs conducted, AAMC managed to enroll 241 students for the sessions organized during the year. All 241 students benefitted from the knowledge shared in these sessions.

V. Strategies for Improvement:

The committee members of AAMC actively discussed strategies for improvement to overcome the challenges posed by the pandemic and to provide better support and guidance to the students. These discussions involved evaluating the feedback received from students, faculty, and alumni to identify areas that require improvement. The aim was to adapt to the changing circumstances and ensure that the program continues to meet the evolving needs of the students.

VI. Conclusion:

The Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) faced significant challenges during the 2020-2021 academic year due to the COVID-19 pandemic. Despite the limitations, AAMC managed to conduct informative session on Mucormycosis, addressing the clinical relevance of these topics. The presence of successful alumni added value to the program, inspiring and guiding the students.

AAMC remains committed to its mission of providing comprehensive guidance, coaching, and support to students and interns aspiring to pursue MDS education. The academy will continue to adapt and improve its offerings to meet the changing needs and circumstances, ensuring the success of its students in the field of MDS

ANNUAL REPORT (2019-2020)

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC)

The Al-Azhar Academy for MDS Coaching and Career Guidance (AAMC) had a successful year in 2019-2020, focusing on improving teaching and learning methods to assist students and interns pursuing higher education in dentistry both in India and overseas. The academy organized various seminars, Continuing Dental Education (CDE) programs, and career guidance initiatives.

Key Activities:

1. Seminars and Career Guidance Programs:

- "What after BDS" Session by Dr. Moushmi CB (16th December 2019): This session aimed to provide insights into different career options after completing graduation in dentistry in India and abroad. The program saw the participation of 147 students and interns.
- "An Insight into the Branches of Dentistry" by Dr. Aby Kuruvilla (12th July 2019): This session elaborated on the scope of various topics of clinical relevance within each specialty of dentistry. It was attended by 148 participants.
- "Practice Management" by Dr. Litto Manuel (10th October 2019): The program covered essential aspects of setting up a dental clinic, financial management, sterilization, and specialized equipment. One hundred and Twenty-seven students attended the session.

2. MCQ-Based Discussions and Exam Preparations:

- After each theory class, multiple-choice question-based discussions were routinely conducted to reinforce learning.
- Previous year's question papers were discussed to familiarize students with the exam pattern.
- Alumni who had excelled in past exams were invited to guide the current interns, resulting in nine students clearing their exams.

3. Individualized Doubt-Solving Sessions:

- Faculty members from different speciality branches of dentistry were assigned for one-on-one doubt-solving sessions with students, ensuring personalized attention and academic support.

Overall, the efforts to adopt improved teaching methodologies and the focus on career guidance yielded positive results, with 467 students benefitting from the initiatives. The committee also discussed strategies for further improvement to enhance the learning experience at the Al-Azhar Academy for MDS Coaching and Career Guidance (AAMC).

ANNUAL REPORT (2018-2019)

Al Azhar Academy for MDS Coaching and Career Guidance (AAMC)

Introduction: The Al-Azhar Academy for MDS Coaching and Career Guidance (AAMC) was established on March 18th, 2018, with a primary objective to assist students and interns in pursuing higher education in both India and overseas. Throughout the academic year 2018-2019, AAMC organized a series of events and programs aimed at providing guidance, coaching, and support to aspiring dental professionals.

Programs and Activities:

1. Seminars, CDEs, and Career Guidance Programs: AAMC conducted various seminars, Continuing Dental Education (CDE) sessions, and career guidance programs to equip students with the necessary knowledge and skills for their educational journey and career development.

2. Subject-wise Brainstorming Sessions: To ensure comprehensive preparation, AAMC organized subject-wise brainstorming sessions. These sessions included in-depth discussions and problem-solving exercises, with a special focus on Multiple Choice Question (MCQ) discussions. The three-month crash course offered students a structured approach to their studies.

3. One-on-One Doubt Solving Sessions: A unique feature of AAMC was the provision of one-on-one doubt-solving sessions with faculty members from various branches of dentistry. This personalized approach helped students address their specific challenges and queries.

4. Career Guidance Programs: AAMC hosted three notable career guidance programs during the academic year:

Prof. Dr. Harvey Thomas MDS

- **Analytical Skill Development:** On September 10th, 2018, Dr. Aby Kuruvilla conducted a program titled "Focus on Solution, Not the Problems," which attracted 200 participants. This program focused on developing analytical skills.
- **Tips for NEET MDS:** A session aimed at providing valuable tips and tricks for cracking entrance exams was conducted, with Dr. Renu Ann Mathew as the resource person. The event was attended by 155 students.

5. MCQ-Based Discussions and Previous Year Papers: To ensure effective learning, AAMC routinely conducted discussions based on multiple-choice questions (MCQs) after each theory class. Frequently asked questions were emphasized, and previous year question papers were thoroughly discussed to help students understand exam patterns.

6. Alumni Guidance: The academy invited successful alumni who had excelled in past exams to share their insights and guidance with interns and students. Their valuable advice and experiences served as a source of inspiration.

7. Program Enrollment and Benefits: A total of four hundred and four students enrolled in the AAMC program during the academic year 2018-2019. The guidance and support provided by AAMC significantly benefited these students in their pursuit of higher education and career advancement.

8. Strategies for Improvement: Throughout the year, the committee members engaged in discussions to assess and enhance the academy's strategies for better student outcomes. Continuous improvement remained a core focus of AAMC.

In conclusion, the Al Azhar Academy for MDS Coaching and Career Guidance (AAMC) successfully conducted a range of programs and activities during the 2018-2019 academic year, helping students and interns prepare for higher education and future careers in dentistry. The academy's commitment to personalized coaching and comprehensive guidance proved
