WOMEN'S CELL – GENERAL GUIDELINES

Women's cell was formed in Al Azhar dental college to serve as a platform for the women of the institution to come together and work together for their general wellbeing and to bring to the notice of the authorities matters of concern to them.

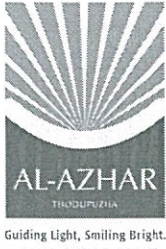

Objectives

- The Women's cell will function to create an effective organisational structure for improving the status of the women in the institution.
- The Women's cell will provide assistance to the administration for taking preventive steps in the matter of gender discrimination and sexual harassment.
- As an attempt to educate the women employees of the institution the Women's cell will take initiative to conduct programmes regarding gender equity, women empowerment, legal awareness and other matters of relevance to the females of the institution.
- It will also collect and analyse information for the assessment of the status of the women of the institution and suggest remedial measures.
- The cell will take initiative to create general awareness against sexual harassment of women.
- The Women's cell will also celebrate national and international days of importance to women.

The cell will meet twice a year to discuss relevant matters and review the guidelines and policies of the cell. Circular for the meeting should be send at least 2 days before the date of the meeting. The meetings can be conducted with the participation of at least 50 percent of its members. It can conduct emergency meetings and enquiry on receipt of any complaint and take appropriate measures to bring it to the notice of the concerned authority.
