REPORT

Program : The Art of Making a Perfect PowerPoint Presentation.

Date: 5th April 2021

Venue: Lecture Hall II

Resource Person: Dr. Moushmi CB

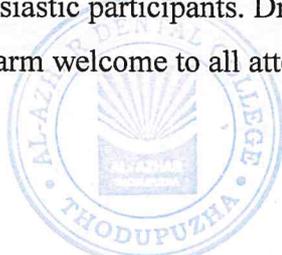

Number of Participants: 60

Introduction: This report provides a comprehensive overview of the program conducted on the topic "The Art of Making a Perfect PowerPoint Presentation." The program aimed to equip participants with the essential skills and knowledge required to create effective and visually appealing presentations using Microsoft PowerPoint. The report highlights the program's objectives, covered content, teaching methodologies, and feedback from participants.

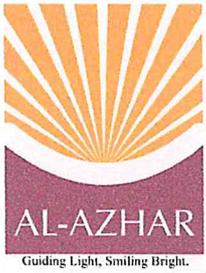

Program Objectives: The program was designed to achieve the following objectives:

- Familiarize participants with the PowerPoint user interface and its key features.
- Develop participants' understanding of effective presentation design principles.
- Enhance participants' ability to create visually appealing slides using diverse formatting options.
- Enable participants to skillfully utilize text, images, charts, and multimedia elements in their presentations.
- Provide participants with knowledge of slide transitions and animation effects.

Program Details: The program commenced on the scheduled date in Lecture Hall II with an attendance of 60 enthusiastic participants. Dr. Afzal, the Principal of Al Azhar Dental College, extended a warm welcome to all attendees. The esteemed resource person for the

program was Dr. Moushmi CB, who conducted an engaging and informative session on the basics of PowerPoint. Dr. Moushmi's expertise in the subject area set the tone for an enriching learning experience.

Content Covered: Dr. Moushmi CB skillfully covered a wide range of content during the program:

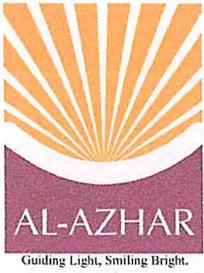

- Introduction to the PowerPoint user interface and its core features.
- Exploration of effective presentation design principles, including layout, color, and typography.
- In-depth explanation of various formatting options to create visually engaging slides.
- Practical insights into incorporating text, images, charts, and multimedia elements for impactful presentations.
- Comprehensive overview of slide transitions and animation effects to enhance engagement.

Teaching Methodologies: The program employed a mix of effective teaching methodologies to engage participants actively:

- **Lectures:** Dr. Moushmi delivered insightful lectures on each topic, providing conceptual clarity.
- **Hands-on Activities:** Participants engaged in hands-on exercises to apply the concepts they learned, enhancing practical understanding.
- **Group Discussions:** Collaborative group discussions encouraged participants to share insights, fostering a dynamic learning environment.
- **Interactive Q&A:** Participants had the opportunity to ask questions, ensuring a deeper grasp of the material.

- **Visual Examples:** Visual aids and real-life examples were used to illustrate design principles and techniques.

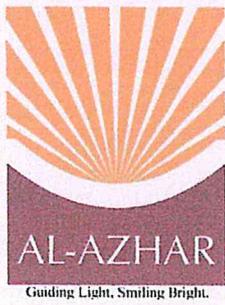

Participant Feedback: Feedback from participants underscored the success of the program. Participants reported a heightened understanding of PowerPoint's functionalities and an increased confidence in creating impactful presentations. They appreciated the hands-on approach, interactive sessions, and the expertise of Dr. Moushmi CB. The program not only provided practical skills but also ignited a desire to explore advanced features of PowerPoint.

Conclusion: In conclusion, the program on mastering the art of crafting a perfect PowerPoint presentation was a resounding success. Participants left with enhanced skills, confidence, and a deep appreciation for effective presentation design. The dynamic teaching methodologies employed, coupled with Dr. Moushmi CB's expertise, ensured that the program met its objectives. This experience will undoubtedly contribute to participants' future academic and professional endeavors.

REPORT

Workshop Title: YOGA: The Inner Peace

Date: October 24, 2020

Venue: Lecture Hall 1

Facilitator: Vyshak

Number of Participants: 100 students

Summary:

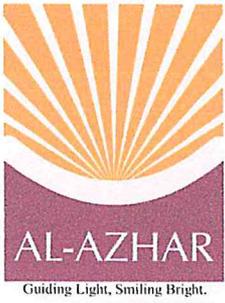

- The workshop titled "YOGA: The Inner Peace" aimed to introduce and explore the practice of yoga as a means to attain inner peace and holistic well-being.
- The event took place on October 24, 2020, at Lecture Hall 1, and it attracted 100 student participants who were interested in learning about yoga and its benefits.

Key Points Covered:

- Vyshak, the facilitator of the workshop, likely provided an introduction to the philosophy and principles of yoga.
- The workshop may have included practical sessions on yoga postures (asanas), breathing exercises (pranayama), and meditation techniques.
- Participants may have learned about the physical and mental health benefits of a regular yoga practice, including stress reduction, improved flexibility, and enhanced focus.
- Vyshak may have shared insights into the importance of mindfulness and inner peace in today's fast-paced world and how yoga can help individuals achieve these states.

- The workshop may have encouraged participants to integrate yoga into their daily routines as a means of promoting overall well-being and balance in life.

The "YOGA: The Inner Peace" workshop by Vyshak on October 24, 2020, provided an opportunity for the 100 student participants to explore the practice of yoga and its potential to bring inner peace and holistic wellness. It likely inspired students to consider incorporating yoga into their daily lives for physical and mental well-being.

ORGANISED BY : DEPT OF PUBLIC HEALTH DENTISTRY

DATE : MARCH 8TH 2021

VENUE : DEPT OF PUBLIC HEALTH DENTISTRY

TIME : 1.00-2.00 PM

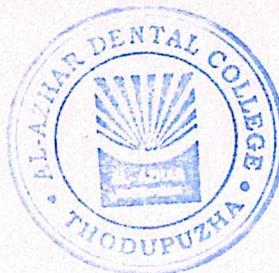

NO OF PARTICIPANTS: 45 (Students : 35 , Staff : 10)

International Women's Day is celebrated annually on the 8th of March to recognize the social, economic, cultural, and political achievements of women across the globe. In commemoration of this day, Dr. Tency Mathew, dept of PHD at Al Azhar Dental College, delivered a powerful speech on the importance of women's empowerment through education.

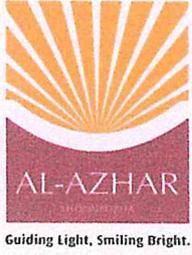

Dr. Tency Mathew began by acknowledging the struggles that women face in society, particularly with regards to gender-based discrimination, harassment, and violence. She emphasized that education is a powerful tool that can empower women to fight against these atrocities and move forward with courage and determination.

She spoke about the critical role that education plays in the lives of women, highlighting how it helps to develop their intellectual capacity, broaden their horizons, and improve their socio-economic status. Dr. Mathew emphasized that education is not only a means to acquire

knowledge but also a pathway towards achieving greater gender equality, social justice, and human rights.

Furthermore, Dr. Mathew stressed the importance of promoting gender-sensitive education, where the needs and concerns of women are taken into consideration. This includes providing equal opportunities for women to access education, addressing gender-based discrimination and harassment, and empowering women to take leadership roles in various fields.

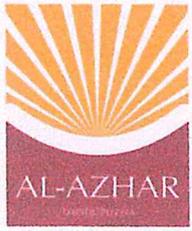

The speech was well-received by the nearly 55 students and all the female staff who attended the program. Dr. Mathew's message of empowerment and upliftment through education resonated with the audience, inspiring them to take charge of their lives and fight against gender-based discrimination and violence.

The program concluded with a cake-cutting ceremony, a symbolic gesture that represented the collective celebration of women's achievements and the collective effort required to achieve gender equality. Overall, the program served as a powerful reminder of the ongoing struggle for women's rights and the crucial role that education plays in achieving greater gender equality and social justice. In conclusion, Dr. Tency Mathew's speech on Women's Day was a timely reminder of the importance of women's empowerment and upliftment through education. Her message of courage, determination, and resilience in the face of gender-based discrimination and violence was both inspiring and empowering. It is through initiatives like these that we can continue to work towards a more equitable and just society, where every woman has the opportunity to thrive and succeed.

Lecture Title: Mucormycosis - Decrypting Darkness

Date: November 9, 2020

Venue: Lecture Hall 1, Al Azhar Dental College

Resource Person: Dr. Jayesh, MDS

Number of Participants: 145

Summary:

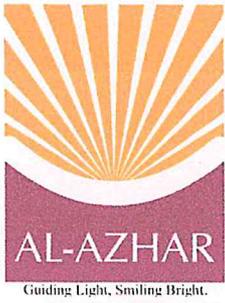

- The lecture was organized by the Department of Oral Medicine and Radiology at Al Azhar Dental College, focusing on the topic of "Mucormycosis."
- The event took place on November 9, 2020, at Lecture Hall 1, and it attracted 145 participants who were interested in understanding and addressing this medical condition.

Key Points Covered:

- Dr. Jayesh, MDS, likely provided an in-depth exploration of Mucormycosis, a rare but serious fungal infection.
- The lecture may have included information about the causes, risk factors, and clinical manifestations of Mucormycosis.
- Participants likely learned about the diagnostic methods used to identify the condition, including radiological and imaging techniques.
- The lecture may have also covered treatment options, emphasizing the importance of early intervention and multidisciplinary care in managing Mucormycosis cases.

- Given the context of the COVID-19 pandemic, there may have been discussions about the increased risk of Mucormycosis in COVID-19 patients and how to prevent and manage it.

The lecture on "Mucormycosis - Decrypting Darkness" by Dr. Jayesh, MDS, served as an important educational event for the 145 participants. It provided valuable insights into this fungal infection, including its diagnosis, treatment, and the implications of the condition in the context of the COVID-19 pandemic. This knowledge would have been beneficial for dental and medical professionals seeking to understand and address Mucormycosis cases.

Workshop Report: Tips and Tricks for Atraumatic Dental Extractions

Date: 5th May 2021

Venue: Seminar Hall, Department of Oral and Maxillofacial Surgery

Introduction: This report provides a detailed overview of the workshop titled "Tips and Tricks for Atraumatic Dental Extractions," organized by the Department of Oral and Maxillofacial Surgery. The workshop aimed to enhance participants' skills and knowledge in performing dental extractions with minimal trauma. The report outlines the workshop's objectives, presenter's profile, content covered, methodologies used, participant feedback, and its overall impact.

Workshop Objectives: The primary objectives of the workshop were as follows:

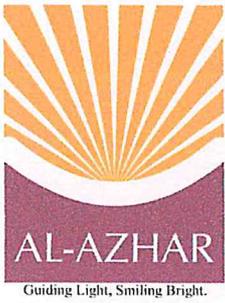

- To introduce participants to modern atraumatic dental extraction techniques.
- To enhance participants' understanding of pre-operative assessment and patient management.
- To provide insights into managing complications that may arise during extractions.
- To educate participants about effective post-operative care after extractions.

Presenter: The workshop was conducted by Dr. Hisham Ibrahim, who holds a Master's degree in Dental Surgery. Dr. Ibrahim is an experienced professional with a wealth of knowledge in the field of oral and maxillofacial surgery.

Workshop Details: The workshop took place in the Seminar Hall of the Department of Oral and Maxillofacial Surgery. The venue provided an ideal setting for an interactive and informative session. Dr. Hisham Ibrahim, as the presenter, skillfully navigated through various aspects of atraumatic dental extractions.

Content Covered: The workshop covered a comprehensive range of topics, including:

- Importance of thorough pre-operative assessment and patient evaluation.
- Local anesthesia techniques for pain management during extractions.
- Surgical approaches to minimize tissue damage and preserve bone structure.
- Addressing complications such as impactions and fractured teeth during extractions.
- Post-operative care instructions to promote healing and prevent complications.

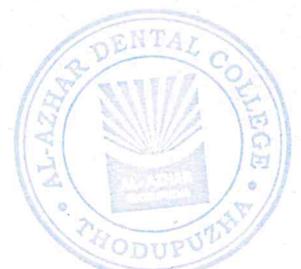

Workshop Highlights: The success of the workshop can be attributed to the following highlights:

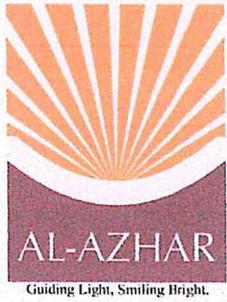

- **Lectures and Discussions:** Dr. Hisham Ibrahim delivered engaging lectures supplemented by case studies and encouraged participant involvement through discussions.
- **Live Demonstrations:** Live demonstrations provided a practical understanding of the techniques being discussed.
- **Interactive Sessions:** Question and answer sessions facilitated the clarification of doubts and further enriched participants' understanding.

Participant Feedback: Feedback from participants highlighted the positive impact of the workshop:

- Attendees praised the workshop's organization and the presenter's expertise in delivering complex concepts.
- Participants expressed newfound confidence in their ability to perform atraumatic dental extractions.
