You have been assessed as an Overseas student. If you believe this fee assessment is incorrect you should complete a Fee Status Enquiry and return to the Postgraduate Admissions Team within 28 days. The assessment of your fee eligibility is based on the information provided to us as part of the application process. In the event that information is later identified by the University or other partners such as the Student Awards Agency for Scotland (SAAS) which brings the assessment of fee eligibility into doubt, then the University reserves the right to revise its assessment of fee eligibility or to withdraw the offer we have made you.

As an overseas student, a pre-payment deposit of £3500 must be paid to Edinburgh Napier University to secure your place on this course. This payment should be made once you are holding an unconditional firm offer of admission. This deposit is only refundable in the event that you are unable to secure a student visa for study with us, or if you change your mind within 14 days of making your deposit payment. Payment should be made directly to the University Finance Office, please go to our website to find out how to do this.

Before the University will issue a Confirmation of Acceptance (CAS), we will check that you have paid your £3500 deposit and that you have the maintenance in place to meet the Tier 4 requirements before you apply for your visa. This check will either take place by the Visa and International Support Team or by our colleagues overseas. In most cases, you will be contacted once you pay your deposit so please ensure you have your financial evidence ready or are in the process of preparing it. The evidence you are required to show is detailed on our website or you can contact our Visa and International Support Team.

Please note the final deadline date for issuing Confirmation of Acceptance for Studies (CAS) letters is December 2020 if you are applying outside the U.K. for your Tier 4 Student Visa. If you are applying from within the U.K. please contact the International Support Team to make an appointment.

You need this letter to apply for a Tier 4 Student visa. You must meet all the conditions of your offer, receive an unconditional offer, then pay your £3,500 deposit by this date in order for us to issue a CAS letter to you. If you do not believe you can meet this deadline date, please let us know and we can review deferring your offer to the next available intake instead.
