VISION

‘To be a premier academic institution recognized nationally for its leadership and excellence in teaching, learning and research, upholding humanitarian principles’

MISSION

- To prepare each student for academic, social and personal success by instilling competency, creativity and courage to act on their belief.
- To pursue excellence in education by imparting a comprehensive student experience through an evidence based academic and clinical approach for rendering world class oral health care with utmost empathy, compassion and social commitment.
- To bring necessary changes as dictated by the current needs of the profession in the course structure and design, collaborating with the affiliating and apex bodies.
- To equip the dental professionals to adapt to the ever - changing dental technologies, treatment modalities and practices through continuing dental education programs.
- To spread awareness to the public on the prevention of oral diseases and provide panoramic oral health care to the penurious population focusing on the ideology of ‘Oral Health for Overall Health’.
