PLACEMENT CELL POLICY

The main aims of placement cell are

- To raise awareness about post-course career advancement and placement options.
- To provide students with exposure to current dentistry trends through training, internships and placement.
- To update students' knowledge through lectures, seminars, and workshops, guide them in preparing for competitive exams such as PG-NEET for MDS course admission.
- To help them clarify their academic and career interests and goals through counseling, and conducting career guidance programmes.
- To guide and motivate the students based on their final year performance as to pursue post graduate/ add on/ foreign courses based on the analysis of their strengths and weakness.

GUIDELINES FOR PLACEMENT CELL

- All interns by default shall come under the guidance of placement cell.
- Ensuring that every intern shall be aware of the possible future opportunities, careers etc in India and abroad.
- All the interns are required to submit consolidated mark lists, record books etc to the placement cell within 15 days of joining the internship.
- All interns shall attend all the career guidance, initiatives and programmes conducted by the placement cell.
- The placement cell shall spread awareness and inform the interns about national and international career guidance programmes, conference etc through notice boards, WhatsApp groups etc.
- The cell shall collect and maintain a data base as to the status of each internee who has completed the course.
