PTA committee guidelines

PTA was formed with the aim of facilitating parent participation and awareness of the student's activities etc on a regular basis so as to facilitate and promote the overall growth and well-being of the institute. Emphasis is given primarily to assess the academic progress, specific weakness and strength of each student through early and timely interactions between the parents, students and teachers. This committee conducts meetings bi-annually and also in coordination with the academic committee, student welfare committee, hostel committee and mentorship committee to tackle student centric problems and improve overall student performance and also to identify slow learners and conduct remedial measures for the same.

Guidelines of the committee

Objectives

1. Promote harmonious, active, and collaborative engagement among teachers and parents in the implementation of programs for students' welfare.
2. To make for a healthy understanding of the education policies and programs and to create a suitable climate for reception of the same.
3. Help college in any events outside and beyond the standard functions such as: organizing community outreach camps, teacher and parent centric events.
4. Build a sense of inclusiveness through increased and sustained parental participation and involvement in college events.

Rules and regulations

1. PTA committee is formed comprising of members from the staff and parents, the Principal being the chairperson.
2. The parent members are selected during the induction ceremony every year.
3. Members should work with proper conduct and respect to one another at all times.
4. Meetings are held twice annually.
5. In case of any issues the committee guides the parent and the student to their respective subject teacher/the mentor for rectification.
6. In case of any suggestions given by the parents the committee shall discuss with the higher authorities about the feasibility to implement the same.
