TRAINING IN SPECIALISED CLINICS

Al-Azhar Dental College in Thodupuzha, Kerala, is a renowned institution providing dental education and healthcare services to the community. There are six special clinics functioning in this institution in association with related departments. Interns are posted in the specialised clinics rotation wise as per their posting schedule. All interns are instructed to follow the schedule of compulsory training in specialised clinics during regular posting in the corresponding departments. Under the expert guidance of trained faculty members, they render their services with utmost dedication and sincerity.

- **Comprehensive clinic** focus on co-ordinating care to achieve optimal oral health outcomes for patients. It works in association with department of Public Health Dentistry. Interns posted in the department of Public Health Dentistry are trained to perform comprehensive management of patients.
- **Implant clinic** provides services related to dental implants including implant placement and restorations. It also offers follow-up care including implant maintenance and replacement if necessary. Our team includes Prosthodontist, Periodontist, and Oral and maxillofacial surgeon. Interns in the Department of Oral and Maxillofacial Surgery are posted here.
- **Aesthetic clinic** is functioning in association with department of Conservative dentistry. Interns posted here are working in aesthetic clinic on rotation basis. It focuses on providing cosmetic dental treatments and procedures to improve the appearance of a patient's smile. It also uses advanced technology and equipment to deliver high-quality results and offer a comfortable environment for patients.
- **Geriatric clinic** is designed to address the specific dental concerns and health issues of older adults. As age advances, oral health needs changes and geriatric dental clinics offer services that cater to the unique needs of older adults. It works under the department of Prosthodontics. Interns posted in Department of Prosthodontics are trained to work in the geriatric clinic also.
