

## MINUTES OF THE MEETING

Date: 13-09-23

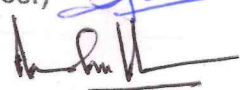

Time: 9:30 am

Venue: Conference room of NAAC CELL

**Agenda:** Construction of new ramp for differently-abled people near Oral Medicine Department

### Members Present:

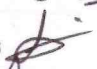

Dr. Amal E A (Administrative Officer) 

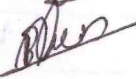

Dr. Nishin K John (Coordinator) 

Dr. Joe Manuel 

Mr. Muhammed Hashim 

Mr. Alexander George 

Mr. Abin Thomas 

Mr. Bibin Biju 

### Discussion

Dr. Amal E A advocated for a ramp design that complies with accessibility standards and ensures user safety. Dr. Nishin K John suggested collaborating with experts in accessibility to optimize the ramp's design for diverse needs. Dr. Joe Manuel recommended conducting a survey among differently-abled individuals to gather specific requirements for the ramp. Mr. Muhammed Hashim proposed involving local contractors with experience in constructing ramps for similar projects. Mr. Alexander George emphasized the importance of proper lighting and clear signage for the ramp area. Mr. Abin Thomas suggested establishing a maintenance plan to ensure the longevity of the constructed ramp.

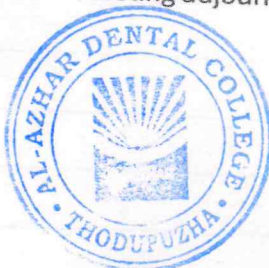

### Decision:

- 1) Form a subcommittee to collaborate with accessibility experts.
- 2) Engage with local contractors experienced in building ramps.
- 3) Develop a maintenance plan for the constructed ramp.

### Action taken from previous meeting

Furnitures and almirahs for office and departments purchased.

Meeting adjourned at 10.30am

Prof. Dr. Harvey Thomas MDS  
Principal  
Al-Azhar Dental College
