Agenda of the meeting

1. Welcoming new members to the committee
2. Lack of space in the hostel rooms
3. Students taking too many leaves during holiday season

The principal Dr. Harvey Thomas delivered the welcome address and welcomed the parent representatives heartily and briefed about the working of the committee. The minutes of the previous meeting read by Dr Jayesh, was approved unanimously. The principal then proceeded to discuss the hostel issues. He mentioned that the current year's intake was almost 100 students while the previous year witnessed a lag due to late admission post Covid-19. As there might be slight congestion in the rooms for a few months, he requested the parents to be supportive. He assured that once the current batch finishes their exams this issue will be sorted out. He further mentioned that the students were following the rules of the hostel with regards to timing and leave applications. He also put forward that, though students were given enough holidays during the festivals, they still take extra days prior and post the sanctioned holidays, which would further affect their attendance percentage. He further directed the parents and teachers to look into it and not encourage such leaves. Tea was served and the meeting adjourned by 11.30 am.

Action taken

1. Students were following the rules of the hostel with regards to timing and leave applications
2. New members were familiarised with the working of the committee.
