## REPORT

### "Opportunities in the Health Care Sector in Germany"

(in association with AAMC)

Date: 4th August 2023

Time: 10:30 AM to 1:30 PM

Location: Lecture Hall 1

Audience: 113 Students

#### Introduction

The lecture on "Opportunities in the Health Care Sector in Germany" was organized to provide students with insights into the vast career opportunities available within Germany's health care system. It aimed to educate participants about the current landscape of the sector, potential career paths, and the skills required to succeed. The event was well-attended by 113 students, and the session was held from 10:30 AM to 1:30 PM in Lecture Hall 1.

#### Key Highlights

##### 1. Overview of the Health Care Sector in Germany

The session began with an overview of the German health care system, one of the most advanced in the world. The presenter explained the structure of health care in Germany, which is characterized by both public and private insurance systems, as well as a robust infrastructure that includes hospitals, outpatient services, and specialized medical practices.

##### 2. Career Opportunities

The speaker elaborated on various career opportunities within the health care sector in Germany, which include but are not limited to:

- **Medical Professionals:** Doctors, nurses, and allied health professionals like physiotherapists and radiologists.

- **Health Management and Administration:** Health care administrators, managers, and policy-makers involved in the planning and management of health care facilities.
- **Research and Development:** Opportunities for students in medical research, biomedicine, pharmaceuticals, and public health.
- **IT and Digital Health:** With the increasing importance of technology in healthcare, positions in health informatics, telemedicine, and health data management are on the rise.

The speaker also emphasized the expanding demand for professionals due to Germany's aging population and increasing need for healthcare services.

### 3. Skills and Qualifications

To pursue careers in Germany's healthcare sector, the speaker highlighted the importance of a combination of specialized education and soft skills. Some of the key skills and qualifications required include:

- **Medical Training and Certification** for medical professionals.
- **Language Proficiency:** Proficiency in the German language, particularly for those planning to work directly with patients or in clinical settings, is a must.
- **Adaptability and Technical Skills:** In areas like digital health, knowledge of emerging technologies such as AI in medicine is valuable.
- **Cultural Competence:** Understanding the diverse cultural needs of Germany's population is important, especially for those in care and nursing roles.

### 4. Challenges and Solutions

The presenter also discussed some challenges in the sector, including staff shortages, long working hours, and the increasing complexity of medical technologies. Solutions such as better work-life balance initiatives, recruitment from international talent pools, and improved training programs were explored as ways to address these challenges.

### 5. Networking and Internships

The session concluded with advice on how students can gain practical experience in the field. Internships, networking with professionals through health care conferences and associations, and utilizing university partnerships with hospitals were all recommended as avenues to build a career in the sector.

## Student Engagement

Throughout the session, students actively engaged with the speaker. There were several questions asked, primarily about opportunities for international students in the German health care sector, language requirements, and the potential for telemedicine careers.

## Conclusion

The lecture on "Opportunities in the Health Care Sector in Germany" provided valuable insights into a promising and diverse field. The health care industry in Germany is a growing sector, offering multiple career paths for students with the right qualifications and skills. The session ended with students being encouraged to pursue further education and training, and to seize opportunities for internships and networking in the health care industry

**NO. OF PARTICIPANTS** : 81

Registration of participants for the Value-added course on 'Work Ethics' started at 01:30 pm. The program started with a prayer song at 02:00 pm. The inaugural address was delivered by Dr. Harvey Thomas (Principal). The introduction of the speaker, Dr Vishnu Thomas, Reader, Department of Prosthodontics was done by Dr. Moushmi C B. The session started at 02:30 pm.

Day 1 (04.09.2023, 03 hours) - Our speaker started the session with the meaning of dental ethics which is the moral duties and obligations of the dentist towards his/her patients, professional colleagues and to society. Emphasize the importance of ethical values in dentistry and one should focus on the moral aspects of dental treatment rather than the price.

Day 2 (05.09.2023, 03 hours) – He addressed how dental ethics help support autonomy and self-determination, protect the vulnerable and promote the welfare and equality of human beings.

Day 3 (06.09.2023, 03 hours) – He said that the dental profession has a special trust in the community and the best dentist-patient relationship should be based on that trust, honesty, providing high quality and appropriate treatment, and keeping the patient safe and healthy.

Prof. Dr. Vinod Kumar R B  
Principal  
Al-Azhar Dental College  
Thodupuzha - 685 605

Day 4 (07.09.2023, 03 hours) - He explained the code of ethics prescribed by regulatory bodies which should act as a guiding light in distinguishing between the right and the wrong, observing one's duties and maintaining good interpersonal relationships. The principles of ethics: patient autonomy, nonmaleficence, beneficence, justice, and veracity.

Day 5 (08.09.2023, 03 hours) – The students were made aware of that as a professional we should: 1. Be aware of the responsibilities that we accept when entering the dental profession. 2. Meet the standards of competence, care and conduct while rendering service. Also, the value of the Hippocratic Oath taken as professionals.

Certificates were distributed to all the participants on the last day of the course. A memento was given to the speaker as a token of appreciation. A total of 81 students participated in the course. **TOPIC** : Personality Development Program - "Be the Best"  
**FACULTY** : Mr. Arun Jose  
**DATE** : 21-11-23 (Tuesday)  
**VENUE** : Mini Auditorium, Alazhar Dental College.  
**ORGANIZED BY** : Alazhar Academy for MDS Coaching and Career Guidance (AAMC) and IQAC Alazhar Dental College  
**NO. OF PARTICIPANTS** : 103 Students

The Personality Development Program, titled "Be the Best," organized by Alazhar Academy for MDS Coaching and Career Guidance in collaboration with IQAC Alazhar Dental College, took place on 21.11.23. The event aimed to provide students with valuable insights and tools for personal and professional growth.

The program began on a spiritual note with a prayer, setting a positive and focused atmosphere for the day's activities. Dr. Harvey Thomas, the principal, delivered a welcome address. A crucial component of the program 'be the best' by Mr. Arun, was a stress relief session designed to help students cope with the challenges they face. The session provided practical techniques to manage stress and foster a healthy mindset. He highlighted the importance of maintaining a positive attitude, not only for personal well-being but also for success in one's chosen profession. The emphasis on positivity as a driving force for personal and career development was a key takeaway. The speaker stressed the need for continuous learning and updating of knowledge in the ever-evolving fields of medicine and dentistry. He encouraged the participants to embrace change and stay current with advancements in their respective fields.

The program concluded with a vote of thanks delivered by Dr. Amal E A, the administrative officer. Dr. Moushmi.C.B, Reader from the Department of Conservative Dentistry and Endodontics, also expressed her gratitude. The certificates of participation were then distributed to acknowledge the students' attendance and active participation.

The "Be the Best" Personality Development Program provided a platform for 103 students to enhance their personal and professional skills. Mr. Arun Jose insightful address, stress relief session, and emphasis on positive attitudes and continuous updating contributed to a holistic learning experience. The event successfully achieved its objective of providing students with valuable tools for personal and professional development. The organizers and speakers are commended for their efforts in creating a meaningful and impactful program.

## REPORT

Title: CARVE YOUR NICHE: Guidelines for a Successful Dental Career

Speaker: Dr. Civy V Pulayath

Date: February 23, 2024

Venue: Mini Auditorium, Al Azhar Dental College

Participants: 104

### Overview:

Dr. Civy V Pulayath's talk, "CARVE YOUR NICHE: Guidelines for a Successful Dental Career," delivered at Al Azhar Dental College's mini auditorium, was a profound journey through the realms of dentistry, professionalism, and personal growth. With 104 aspiring dental students in attendance, the event was not only a testament to the keen interest of the students in enhancing their future careers but also a reflection of the significance of mentorship in the field of dentistry.

### Key Takeaways:

- Embrace Lifelong Learning:** Dr. Pulayath emphasized the importance of continuous education beyond dental school. The dental field is ever-evolving, with new technologies, treatment methodologies, and materials emerging regularly. Staying abreast of these developments can set a dentist apart in their practice.
- Specialize Wisely:** The decision to specialize should be informed by a combination of passion, market demand, and the opportunity to make a meaningful impact. Dr. Puliyath shared insights into how identifying and pursuing a niche can lead to a fulfilling and successful career.
- Build a Strong Network:** The significance of networking with peers, mentors, and professionals across the dental community was highlighted. Networking can lead to opportunities for collaboration, referrals, and continued learning.
- Prioritize Patient Care:** Exceptional patient care should be the cornerstone of dental practice. Building trust and rapport with patients, understanding their needs and fears, and delivering outstanding service can cultivate a loyal patient base and generate referrals.

Dr. Vinod Kumar R B  
Principal  
Al-Azhar Dental College  
Thodupuzha - 685 605

5. **Innovate and Adapt:** Innovation in dental practices, whether through adopting new technologies or developing unique patient care models, can distinguish a dentist in a competitive market. Adaptability to change was underscored as a critical trait for success.
6. **Wellness and Balance:** Dr. Pulayath touched upon the importance of personal wellness and work-life balance. The demanding nature of dental careers can take a toll on mental and physical health; therefore, practitioners should adopt healthy coping mechanisms and strive for a balanced life.
7. **Ethics and Professionalism:** Upholding the highest standards of ethics and professionalism in all aspects of dental practice was stressed as essential. Integrity, honesty, and ethical patient care are the foundation of a reputable and successful career.

#### Conclusion:

Dr. Civy V Pulayath's insightful talk provided a comprehensive roadmap for dental students aspiring to carve out successful niches in their dental careers. The blend of professional advice, personal wisdom, and practical tips left a lasting impression on the attendees, equipping them with the tools to navigate their future paths in dentistry with confidence and ambition.

## Anti-Narcotic Day Pledge Report

On May 31, 2024, during the No Tobacco Day Awareness Class organized by the Indian Dental Association (IDA) Kerala at Al Azhar Dental College, Thodupuzha, a significant highlight was the Anti-Narcotic Day pledge led by Sri Binshad C.M, Assistant Excise Inspector Grade.

### Event Details

- **Date:** May 31, 2024
- **Time:** 12:30 PM - 1:30 PM
- **Venue:** Al Azhar Dental College, Thodupuzha

### Pledge Ceremony

Sri Binshad C.M. took the stage to lead the gathering in a solemn Anti-Narcotic Day pledge. This moment was crucial in reinforcing the commitment of the attendees towards a drug-free and tobacco-free lifestyle. The pledge included promises to abstain from the use of tobacco and other narcotics, and to actively promote the message of healthy living within their communities.

### Pledge Content

The attendees vowed to:

1. Abstain from using tobacco and other narcotics.
2. Promote awareness about the harmful effects of tobacco and narcotics.
3. Support and encourage those attempting to quit tobacco and narcotic use.
4. Advocate for a healthier, drug-free life among peers and in the wider community.

### Significance

The pledge ceremony was a powerful and unifying moment for all present. It emphasized personal responsibility and collective action in the fight against tobacco and narcotic use. By taking the pledge, participants committed themselves to being ambassadors of a healthier lifestyle and contributing to the broader goal of a drug-free society.

**Organized by:** *Abhedya*- The Women's Cell of Al Azhar Dental College in association with IQAC, AADC  
**Time:** 9am-10.30 am  
**Venue:** Lecture Hall 4, Al Azhar Dental College

The International Day of the Girl Child is celebrated globally on October 11th each year to promote the rights of girls and address the challenges they face. In celebration of this important day, *Abhedya*, the Women's Cell of Al Azhar Dental College, in collaboration with the Internal Quality Assurance Cell (IQAC) of Al Azhar Dental College, organized a seminar on October 12, 2023. The event aimed to raise awareness about the issues facing girl children and empower them with knowledge and inspiration.

Dr. Waheda Pyarelal delivered the welcome speech, setting the tone for the event and emphasizing the importance of celebrating the International Day of the Girl Child. Dr. Binila S Babu introduced the keynote speaker, Dr. Sharon Vincent, and provided context for the topic of discussion.

Dr. Sharon Vincent, a faculty member in the Department of Pedodontics at Al Azhar Dental College, was the keynote speaker for the seminar. She brought her expertise to the event, shedding light on important issues related to the health and well-being of girl children.

The seminar addressed a wide range of topics related to girl children's well-being, including healthcare, education, gender equality, and the empowerment of girls. Dr. Sharon Vincent's presentation was insightful and impactful, offering valuable insights into the challenges and opportunities facing girl children in today's world. She emphasized the need for healthcare and dental care specifically tailored to the unique needs of young girls. Her talk also touched on the importance of educating girls about oral hygiene and the benefits of maintaining good dental health from a young age.

Prof. Dr. Vinod Kumar R B  
Principal  
Al-Azhar Dental College

### International Day of Rural Women 2023

**Date:** October 16, 2023  
**Organized by:** *Abhedya* in association with IQAC, AADC  
**Event:** Seminar on "Bridging the Gap in Oral Health Care for Rural Women"  
**Time:** 9:00 AM - 10:30 AM  
**Venue:** Lecture Hall 4, Al Azhar dental College

The International Day of Rural Women, celebrated worldwide on October 15th, aims to recognize and appreciate the contributions of rural women and address the challenges they face. In commemoration of this important day, *Abhedya*, in collaboration with the Internal Quality Assurance Cell (IQAC), organized a seminar on October 16, 2023, titled "Bridging the Gap in Oral Health Care for Rural Women."

Dr. Bijimole Jose, Chairperson of *Abhedya* gave the welcome speech, setting the stage for the seminar and emphasizing the significance of the International Day of Rural Women. Dr. Rini George introduced the speaker, Dr. Vinni Mary Oomen, providing context for the topic of discussion. Dr. Vinni Mary Oomen a distinguished faculty member from the Department of Prosthodontics, was the resource person for the seminar. Her expertise and insights greatly contributed to the event's success.

The seminar revolved around the critical issue of oral health care for rural women. Dr. Vinni Mary Oomen's presentation was both informative and enlightening, shedding light on the unique challenges rural women face in accessing oral health care. She emphasized the importance of oral hygiene and discussed ways to bridge the gap in healthcare services for this underserved population. The seminar provided a platform for participants to discuss, share ideas, and explore solutions to improve rural women's oral health care.

**Title** : Report on Self-Defence Workshop

**Conducted by:** SCPO Bindumol T and Sophia KS

**Date** : November 10, 2023

**Organized by :** Al Azhar Dental College

**Venue** : Mini Auditorium

## Introduction:

On November 10, 2023, Al Azhar Dental College hosted a highly beneficial and empowering Self-Defence Workshop. The workshop was conducted by SCPO Bindumol and Sophiya, experts in self-defense techniques, with the aim of equipping participants with essential skills for personal safety.

## Workshop Overview:

The workshop commenced with an insightful introduction by SCPO Bindumol, emphasizing the importance of self-defence in today's world. Attendees were enlightened about the significance of being proactive in ensuring personal safety and the role self-defense plays in building confidence.

## Key Highlights:

### Practical Demonstrations:

The workshop featured practical demonstrations of fundamental self-defense techniques. They showcased effective methods for escaping common holds, defending against potential threats, and using one's body to gain an advantage in challenging situations.

### Interactive Sessions:

Attendees actively participated in interactive sessions, allowing them to practice the learned techniques in a controlled environment. This approach fostered a sense of empowerment among participants as they gained confidence in executing the moves taught during the workshop.

### Awareness and Prevention:

SCPO Bindumol and Sophia stressed the importance of situational awareness and prevention strategies. Participants were educated on recognizing potential threats and adopting proactive measures to avoid potentially dangerous situations.

## Report on International Women's Cell Day Celebration by Women's Wing of Al Azhar Dental College – Abhedya

Topic: Learn, Prevent, Screen- An awareness talk on cervical cancer

Organized by: Women's Cell of Al Azhar Dental College – Abhedya in association with IQAC

Faculty: Dr. Michelle Aline Antony, Associate Professor, Al-Azhar Medical College

Venue: Mini Auditorium, AADC

Date: 12-03-2024

Time: 10.00 am

The Women's Wing of Al Azhar Dental College, under the aegis of Abhedya, hosted a significant event on March 12, 2024, to mark International Women's Cell Day. Held at the mini auditorium of Al Azhar Dental College, the event aimed to shed light on critical women's health issues, with a particular focus on cervical cancer. The day was commemorated with an enlightening awareness talk titled "Learn, Prevent, Screen - An Awareness Talk on Cervical Cancer," delivered by the esteemed Dr. Michelle Aline Antony.

The event commenced with a warm welcome address by Dr. Bijimol Jose, HOD, Department of Pedodontics and Coordinator of the Women's Wing of Al Azhar Dental College - Abhedya. Madam highlighted the significance of International Women's Cell Day and the imperative need to focus on women's health issues, especially cervical cancer. Felicitation was done by Dr. Jabimol C. Maitheen, Principal, Al-Azhar, B. ed college, and Prof. Dr. Litto Manuel, IQAC Coordinator and HOD, Department of Prosthodontics.

Dr. Michelle Aline Antony, the keynote speaker, was introduced to the audience by Dr. Surya Suprabhan, Senior Lecturer, Department of Periodontics. With her extensive expertise and experience in the field of oncology, Dr. Michelle provided a comprehensive overview of cervical cancer, including its causes, risk factors, and global impact.

**Key Highlights from Dr. Michelle 's Talk:**

**Understanding Breast and Cervical Cancer:** Dr. Antony began her talk by explaining what cervical cancer is and how it affects women's reproductive organs. She discussed the human papillomavirus (HPV) as a primary cause and its transmission.

**Prevention Strategies:** Emphasizing prevention, Dr. Michelle highlighted the importance of HPV vaccination, and quitting smoking as effective strategies to reduce the risk of cervical cancer.

**The Role of Screening:** The significance of regular screening through Pap tests and HPV tests was stressed. Dr. Michelle elucidated how early detection through screening could lead to successful treatment and significantly lower the chances of getting cancer.

The winners of the photography contest conducted on behalf of Women's Day - Inspire Inclusion were also declared.

The program ended by handing over the memento to Dr, Michelle by Administrative Officer, Dr. Amal. E.A. The Vote of thanks was given by Dr. LakshmiPriya, HOD, Department of Oral Pathology.

The Bird Club International, Al Azhar Dental College, organized a plantation drive on January 31, 2024, at the Al Azhar Dental College Campus. The primary objective of the event was to promote environmental sustainability and biodiversity by creating a rain groove to support local ecosystems and enhance the campus environment.

### Activities:

**Planting Fruit Bearing Trees and Shrubs:** Participants engaged in the planting of fruit-bearing trees and shrubs across designated areas of the campus. This activity aimed not only to beautify the campus but also to provide sustainable food sources for local birds.

**Creating Bio-fencing for Bird club international's Area:** Another key activity involved the creation of a bio-fence to demarcate the area allotted for Bird club international, Al Azhar Dental College. This initiative aimed to protect and preserve the designated area for bird-related activities.

Dr. Binila S. Babu, the coordinator of Bird club international AADC, distributed saplings to all participants. The event was inaugurated by Dr. Harvey Thomas, the Principal, along with Dr. Somashekaran Pillai, the Academic Dean, and Dr. Amal, the Administrative Officer, by planting shrubs in the area dedicated for Birds Club International.

Students and faculty members from various departments actively participated in the plantation drive, contributing to the establishment of bio-fencing around Bird club international's area. Members of Bird club international showed keen interest in nurturing the planted trees and shrubs.

The event witnessed enthusiastic participation from students, faculty, and staff members of Al Azhar Dental College. Their dedication and efforts were pivotal in making the plantation drive a resounding success.

The AADC Plantation Drive made a significant contribution to the campus environment and the broader ecosystem. By planting trees, creating bio-fencing, and establishing a rain groove, participants took concrete steps towards promoting biodiversity, conserving water resources, and enhancing the aesthetic appeal of the campus.

Through collective efforts, we can continue to make a positive impact on our campus and the planet, one plant at a time.

## CAMP REPORT

### Report on Dental Camp Conducted at Divyarekshalayam, Mylakombu

Date: 22/01/2024

Venue: Divyarekshalayam, Mylakombu

Conducted by: Al Azhar Dental College, PHD Department

A dental camp was organized at Divyarekshalayam, Mylakombu. The camp was an initiative by the Public Health Dentistry Department of Al Azhar Dental College, aimed at providing essential dental care and raising awareness about oral hygiene among the local community. The primary objectives of the camp were:

- To provide free dental check-ups and treatment to the students and community members.
- To educate participants on the importance of oral hygiene and preventive dental care.
- To identify common dental issues and offer appropriate advice and referrals for further treatment if necessary.

The camp was open to all students and local residents. A total of 09 patients were treated during the camp. The participants ranged from young children to elderly individuals, ensuring a wide demographic was reached.

The dental camp provided a range of services, including:

- Comprehensive oral examinations were conducted to assess the dental health of each patient.
- Immediate treatments, such as cleaning, filling, and extraction, were provided as needed.
- Participants were educated on proper brushing techniques, the importance of regular dental check-ups, and the role of diet in maintaining dental health.
- Patients requiring more advanced care were referred to the Al Azhar Dental College for further treatment.

The camp was successful in achieving its objectives, with many participants expressing gratitude for the free services provided. The dental team from Al Azhar Dental College received positive feedback for their professionalism and dedication. The camp also highlighted the need for more regular dental check-ups and education in the community.
