CAMP REPORT

Report on Dental Camp Conducted at MARIYASADHANAM, PALA

Date: 21/05 2024

Venue: MARIYASADHANAM , PALA

Conducted by: Al Azhar Dental College, PHD Department

A dental camp was organized at MARIYASADHANAM , PALA. The camp was an initiative by the Public Health Dentistry Department of Al Azhar Dental College, aimed at providing essential dental care and raising awareness about oral hygiene among the local community. The primary objectives of the camp were:

- To provide free dental check-ups and treatment to the students and community members.
- To educate participants on the importance of oral hygiene and preventive dental care.
- To identify common dental issues and offer appropriate advice and referrals for further treatment if necessary.

The camp was open to all students and local residents. A total of 33 patients were treated during the camp. The participants ranged from young children to elderly individuals, ensuring a wide demographic was reached.

The dental camp provided a range of services, including:

- Comprehensive oral examinations were conducted to assess the dental health of each patient.
- Immediate treatments, such as cleaning, filling, and extraction, were provided as needed.
- Participants were educated on proper brushing techniques, the importance of regular dental check-ups, and the role of diet in maintaining dental health.
- Patients requiring more advanced care were referred to the Al Azhar Dental College for further treatment.

The camp was successful in achieving its objectives, with many participants expressing gratitude for the free services provided. The dental team from Al Azhar Dental College received positive feedback for their professionalism and dedication. The camp also highlighted the need for more regular dental check-ups and education in the community.

CAMP REPORT

Report on Dental Camp Conducted at Divyarekshalayam, Mylakombu

Date: 22/01/ 2024

Venue: Divyarekshalayam, Mylakombu

Conducted by: Al Azhar Dental College, PHD Department

A dental camp was organized at Divyarekshalayam, Mylakombu. The camp was an initiative by the Public Health Dentistry Department of Al Azhar Dental College, aimed at providing essential dental care and raising awareness about oral hygiene among the local community. The primary objectives of the camp were:

- To provide free dental check-ups and treatment to the students and community members.
- To educate participants on the importance of oral hygiene and preventive dental care.
- To identify common dental issues and offer appropriate advice and referrals for further treatment if necessary.

The camp was open to all students and local residents. A total of 09 patients were treated during the camp. The participants ranged from young children to elderly individuals, ensuring a wide demographic was reached.

The dental camp provided a range of services, including:

- Comprehensive oral examinations were conducted to assess the dental health of each patient.
- Immediate treatments, such as cleaning, filling, and extraction, were provided as needed.
- Participants were educated on proper brushing techniques, the importance of regular dental check-ups, and the role of diet in maintaining dental health.
- Patients requiring more advanced care were referred to the Al Azhar Dental College for further treatment.

The camp was successful in achieving its objectives, with many participants expressing gratitude for the free services provided. The dental team from Al Azhar Dental College received positive feedback for their professionalism and dedication. The camp also highlighted the need for more regular dental check-ups and education in the community.

CAMP REPORT

Program: Dental Screening Camp

Date: 20th October 2023

Venue: Mariyasadanam, Pala

Staff in charge: Dr. Bharath Sekhar Nayanar

The Dental Screening Camp conducted on 20th October 2023 at Mariyasadanam in Pala was a significant and beneficial event. Dr. Bharath Sekhar Nayanar led the camp, ensuring the delivery of essential dental services and promoting oral health. Focused on providing dental screenings to the local community, the camp successfully attended to 29 patients.

The camp's efforts extended beyond the screenings, as it aimed to raise awareness about oral health and the importance of maintaining good dental hygiene practices. Through patient interactions and informative discussions, attendees were empowered with valuable insights into preserving their oral well-being. The event made a positive impact on the participants, emphasizing the significance of regular dental checkups and fostering a greater understanding of oral health care.

The camp's influence in promoting oral health in the Mariyasadanam community, Pala, is commendable.

CAMP REPORT

Program: Dental Checkup Camp

Date: 27th July 2023

Venue: Al Azhar School

Time: 10 AM to 2 PM

Staff in charge: Dr. Bharath sekhar nayanar
: Dr. Stacey Thomas

No. of Students: 15

WORK STATISTICS

No. of patients checked: 48

No. of patients referred: 42

The Dental Checkup Camp held on 27th July 2023 at Al Azhar School was a highly successful and well-coordinated event, organized in collaboration with the Department of Pedodontics. Dr. Bharath sekhar nayanar, along with a team of six interns, demonstrated exceptional dedication while providing dental checkups and consultations to the community. The camp received an enthusiastic response from the participants, with a total of 48 patients benefiting from comprehensive dental examinations.

The collaborative efforts between Dr. Bharath sekhar nayanar and Dr. Stacey Thomas ensured that 42 individuals were referred for specialized treatment, guaranteeing that each patient's unique dental needs were addressed with personalized care. The camp effectively achieved its primary objective of delivering essential oral health care services while also raising awareness about dental health among the participants.

Dr. Bharath sekhar nayanar, the Department of Pedodontics, along with the supporting staff, played pivotal roles in making this dental checkup camp a remarkable success, greatly benefiting the community and contributing to the enhancement of oral health in the region.
