### International Day of the Girl Child Seminar - 2023

**Date:** October 12, 2023

**Event:** Seminar on "Challenges and Opportunities for the Girl child"

**Organized by:** *Abhedya*- The Women's Cell of Al Azhar Dental College in association with IQAC, AADC

**Time:** 9am-10.30 am

**Venue:** Lecture Hall 4, Al Azhar Dental College

The International Day of the Girl Child is celebrated globally on October 11th each year to promote the rights of girls and address the challenges they face. In celebration of this important day, *Abhedya*, the Women's Cell of Al Azhar Dental College, in collaboration with the Internal Quality Assurance Cell (IQAC) of Al Azhar Dental College, organized a seminar on October 12, 2023. The event aimed to raise awareness about the issues facing girl children and empower them with knowledge and inspiration.

Dr. Waheda Pyarelal delivered the welcome speech, setting the tone for the event and emphasizing the importance of celebrating the International Day of the Girl Child. Dr. Binila S Babu introduced the keynote speaker, Dr. Sharon Vincent, and provided context for the topic of discussion.

Dr. Sharon Vincent, a faculty member in the Department of Pedodontics at Al Azhar Dental College, was the keynote speaker for the seminar. She brought her expertise to the event, shedding light on important issues related to the health and well-being of girl children.

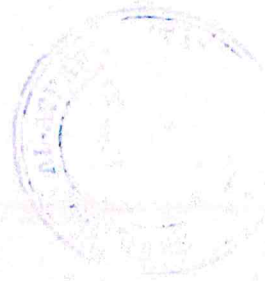

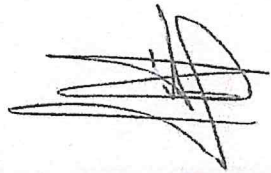

The seminar addressed a wide range of topics related to girl children's well-being, including healthcare, education, gender equality, and the empowerment of girls. Dr. Sharon Vincent's presentation was insightful and impactful, offering valuable insights into the challenges and opportunities facing girl children in today's world. She emphasized the need for healthcare and dental care specifically tailored to the unique needs of young girls. Her talk also touched on the importance of educating girls about oral hygiene and the benefits of maintaining good dental health from a young age.

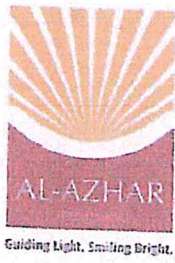

Prof. Dr. Harvey Thomas MI  
Principal  
Al-Azhar Dental College  
Thodupuzha - 685 605

The audience consisted of students, faculty members, and staff of Al Azhar Dental College. The seminar encouraged active participation and discussions on the topics presented. Many insightful questions were raised, and the event fostered a sense of shared responsibility toward ensuring a brighter future for girl children. Dr. Surya Suprabhan delivered the vote of thanks, expressing gratitude to all the participants and organisers who contributed to the success of the seminar.

The International Day of the Girl Child seminar organized by Abhedya and IQAC AADC, with Dr. Sharon Vincent as the keynote speaker, was a significant event that brought attention to important issues surrounding girl children's well-being. It served as a platform to discuss challenges and solutions, promoting the empowerment and equality of girl children in society. The event's success can be attributed to the enthusiastic participation of all involved, and it underlined the commitment of Al Azhar Dental College to contribute positively to the cause of girl child development.

### WORLD ENDODONTIC DAY

The Department of Conservative Dentistry and Endodontics organized an MCQ Test Competition on 16th October 2023 at the Mini Auditorium, Al Azhar Dental College to mark World Endodontic Day. The event, titled "*World Endodontic Day Challenge: Test Your Endo Knowledge*", aimed to raise awareness about endodontics and offer interns a platform to test and enhance their knowledge in the field.

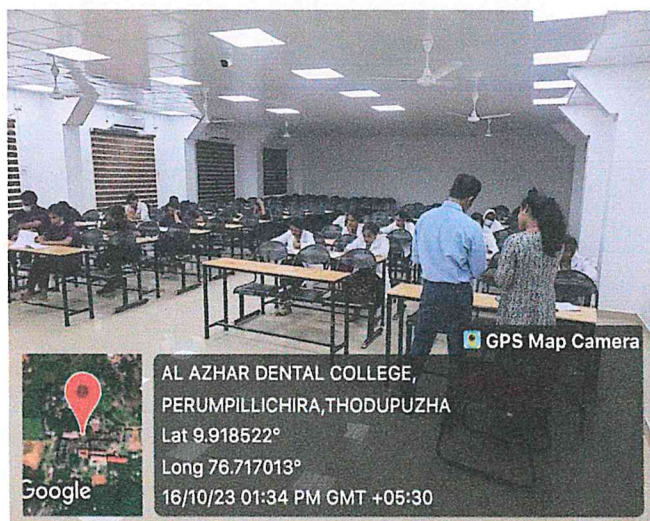

The competition involved multiple-choice questions (MCQs) covering a variety of topics related to endodontics, including diagnostics, treatment methods, instrumentation, and recent advancements in the field. Interns from the department participated actively, and the event proved to be an engaging and educational experience for all.

After careful evaluation of the test results, the top three performers were selected as the winners. These winners demonstrated exceptional knowledge and understanding of endodontic concepts.

#### Winners:

1. Megha D Kumar
2. Nada Fathima Naushad
3. Anagha TK

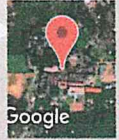

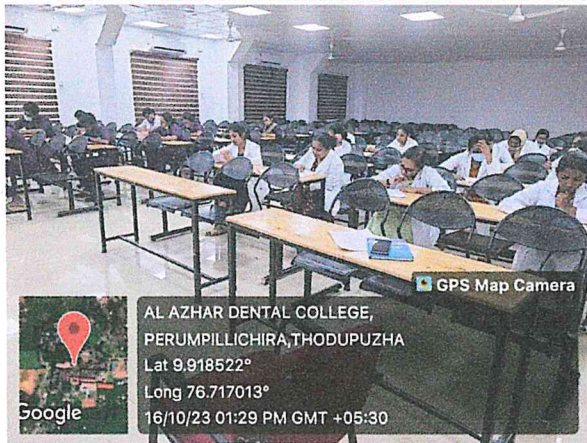

The winners were awarded mementos as a token of appreciation for their excellent performance. The prizes were presented by HOD and staff members of the department, who congratulated them and encouraged all participants to continue expanding their knowledge in endodontics.

The event successfully brought attention to the importance of endodontics in dental practice, while fostering academic growth and friendly competition among interns.

**ORGANISED BY** : Bird Club International, in association with IQAC-AADC  
**DATE** : January 31, 2024  
**VENUE** : Al -Azhar Dental College  
**TIME** : 10:30 AM  
**NO OF PARTICIPANTS** : 36

The Bird Club International, Al Azhar Dental College, organized a plantation drive on January 31, 2024, at the Al Azhar Dental College Campus. The primary objective of the event was to promote environmental sustainability and biodiversity by creating a rain groove to support local ecosystems and enhance the campus environment.

### Activities:

**Planting Fruit Bearing Trees and Shrubs:** Participants engaged in the planting of fruit-bearing trees and shrubs across designated areas of the campus. This activity aimed not only to beautify the campus but also to provide sustainable food sources for local birds.

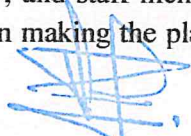

**Creating Bio-fencing for Bird club international's Area:** Another key activity involved the creation of a bio-fence to demarcate the area allotted for Bird club international, Al Azhar Dental College. This initiative aimed to protect and preserve the designated area for bird-related activities.

Dr. Binila S. Babu, the coordinator of Bird club international AADC, distributed saplings to all participants. The event was inaugurated by Dr. Harvey Thomas, the Principal, along with Dr. Somashekar Pillai, the Academic Dean, and Dr. Amal, the Administrative Officer, by planting shrubs in the area dedicated for Birds Club International.

Students and faculty members from various departments actively participated in the plantation drive, contributing to the establishment of bio-fencing around Bird club international's area. Members of Bird club international showed keen interest in nurturing the planted trees and shrubs.

The event witnessed enthusiastic participation from students, faculty, and staff members of Al Azhar Dental College. Their dedication and efforts were pivotal in making the plantation drive a resounding success.

## REPORT

On the 7th of March, 2024, the Department of Conservative Dentistry and Endodontics at Al Azhar Dental College hosted a significant Continuing Dental Education (CDE) session titled "Restodontics." This event was organized in observance of Cons Endo Day, aiming to enrich the knowledge and skills of students in the domains of conservative dentistry and endodontics. Dr. Bejoy Moni, a renowned expert in the field, led the session, which was held in the mini auditorium of Al Azhar Dental College.

### Objective

The primary goal of this CDE was to offer comprehensive insights into Restodontics, bridging the gap between restorative dentistry and endodontics, and to highlight the latest advancements and methodologies in the field. The event aimed to foster a deeper understanding among students, preparing them for future challenges and innovations in dental practice.

### Attendance and Participation

The event saw enthusiastic participation, with 116 students and 14 staff members attending the session. This turnout underscores the growing interest and importance of specialized knowledge in conservative dentistry and endodontics among budding dental professionals.

### Key Highlights

**Expert Lecture:** Dr. Bejoy Moni's talk was the centerpiece of the event, where he delved into the intricacies of Restodontics. He covered various aspects, including modern techniques, challenges, and the future scope of the field. His insights provided valuable learning opportunities for students.

**Interactive Engagement:** The session encouraged active participation, allowing students to engage directly with Dr. Moni. A Q&A segment was notably beneficial, where students had the chance to clarify doubts and gain a deeper understanding of complex topics.

**Networking Opportunity:** The event also served as a platform for students to connect with peers and professionals, fostering a community of learning and collaboration.

## Outcomes

The CDE on Restodontics was a resounding success, achieving its objectives of educating and inspiring the next generation of dental professionals. Students left the session equipped with enhanced knowledge and a renewed enthusiasm for pursuing excellence in conservative dentistry and endodontics.

## Conclusion

The Department of Conservative Dentistry and Endodontics at Al Azhar Dental College demonstrated its commitment to the advancement of dental education through the successful execution of this CDE. The session with Dr. Bejoy Moni not only enriched the students' academic journey but also contributed significantly to their professional development. Such events are crucial for the continuous evolution of dental practices and the provision of superior patient care.
