SUSTAINABLE INITIATIVES

SUSTAINABLE INITIATIVES AT AL AZHAR DENTAL COLLEGE

Al Azhar Dental College is committed to sustainability through various eco-friendly initiatives that promote environmental awareness and resource conservation.

The **Nature Club** and **Birds Club** engage students in environmental conservation activities, such as tree planting, nature walks, and bird watching, fostering a connection with nature. The college also maintains a **Herbal and Vegetable Garden**, where organic produce is grown, encouraging sustainable agriculture and healthy living.

Energy conservation is prioritized with the use of **energy-efficient lighting** and **solar panels**, while the introduction of an **electric buggy** reduces the carbon footprint by providing an eco-friendly transportation option on campus. Additionally, the college maintains a **plastic-free campus**, promoting the use of reusable items and reducing plastic waste.

These initiatives reflect Al Azhar Dental College's dedication to sustainability and environmental responsibility, creating a greener, more conscious campus community.

REPORT

PROGRAMME : AADC Plantation Drive
ORGANISED BY : Bird Club International, in association with IQAC-AADC
DATE : January 31, 2024
VENUE : Al-Azhar Dental College
TIME : 10:30 AM
NO OF PARTICIPANTS : 36

The Bird Club International, Al Azhar Dental College, organized a plantation drive on January 31, 2024, at the Al Azhar Dental College Campus. The primary objective of the event was to promote environmental sustainability and biodiversity by creating a rain groove to support local ecosystems and enhance the campus environment.

Activities:

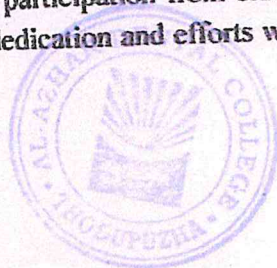

Planting Fruit Bearing Trees and Shrubs: Participants engaged in the planting of fruit-bearing trees and shrubs across designated areas of the campus. This activity aimed not only to beautify the campus but also to provide sustainable food sources for local birds.

Creating Bio-fencing for Bird club international's Area: Another key activity involved the creation of a bio-fence to demarcate the area allotted for Bird club international, Al Azhar Dental College. This initiative aimed to protect and preserve the designated area for bird-related activities.

Dr. Binila S. Babu, the coordinator of Bird club international AADC, distributed saplings to all participants. The event was inaugurated by Dr. Harvey Thomas, the Principal, along with Dr. Somashekaran Pillai, the Academic Dean, and Dr. Amal, the Administrative Officer, by planting shrubs in the area dedicated for Birds Club International.

Students and faculty members from various departments actively participated in the plantation drive, contributing to the establishment of bio-fencing around Bird club international's area. Members of Bird club international showed keen interest in nurturing the planted trees and shrubs.

The event witnessed enthusiastic participation from students, faculty, and staff members of Al Azhar Dental College. Their dedication and efforts were pivotal in making the plantation drive a resounding success.

The AADC Plantation Drive made a significant contribution to the campus environment and the broader ecosystem. By planting trees, creating bio-fencing, and establishing a rain groove, participants took concrete steps towards promoting biodiversity, conserving water resources, and enhancing the aesthetic appeal of the campus.

Through collective efforts, we can continue to make a positive impact on our campus and the planet, one plant at a time.

INTEGRATED DEVELOPMENT

INTEGRATED DEVELOPMENT

Intra-College Activities

The institution prioritizes holistic student development through various intra-college activities designed to enhance communication, social, artistic, and cultural skills. Regular events such as debates, public speaking contests, drama performances, and music and dance competitions provide students with a platform to express themselves and collaborate with peers. Additionally, workshops on soft skills and stress management support personal growth, while student clubs foster engagement in areas like literature, arts, and sports, promoting a vibrant campus life and reducing academic stress.

Inter-College Collaborations

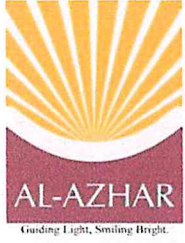

The institution actively collaborates with other colleges to broaden students' learning experiences. Through joint events, academic exchanges, and social initiatives, students gain exposure to diverse perspectives and develop valuable networks. These collaborations enrich the learning environment and offer students opportunities to interact with peers from other institutions, furthering their personal and professional growth.

State and National Level Competitions

The institution encourages participation in state and national level competitions, providing students with opportunities to showcase their talents and skills on a larger stage. These events promote healthy competition, resilience, and teamwork, while offering recognition and exposure. Participation in such competitions fosters personal development and enhances the institution's reputation.

PROGRAMME : KALAKRITI 2023
ORGANISED BY : AROHA STUDENTS COUNCIL , ST GREGORIOS DENTAL COLLEGE ,
KOTHAMANGALAM
DATE : 5TH NOVEMBER 2023
VENUE : ST GREGORIOS DENTAL COLLEGE

The Interdental Arts Fest at St. Gregorios Dental College, organized by the Aroha Student's Council, took place on November 5, 2023. The festivities kicked off with a couple's dance event at 2 pm, succeeded by a duet song and choreo video presentation. The official ceremony was held from 6 pm to 7 pm, followed by group dance performances and a cosplay contest. The program wrapped up by 9 pm, and the winners were promptly announced, receiving mementos and cash prizes of Rs. 10,000 for first place and Rs. 5,000 for second place. These awards were distributed by the Principal and the Staff Advisor of the Aroha Student's Council of St. Gregorios Dental College. A Disc Jockey session capped off the evening, creating a vibrant atmosphere that lasted until 10:30 pm. The event showcased the diverse talents of the students, strengthening the community within the college. It was a memorable day that celebrated creativity, teamwork, and the spirit of competition among the students.

PROGRAMME: OPPARAM 23 (Kerala University of Health Sciences/KUHS KALOTSAVAM)

ORGANISED BY: KUHS UNION MEMBERS

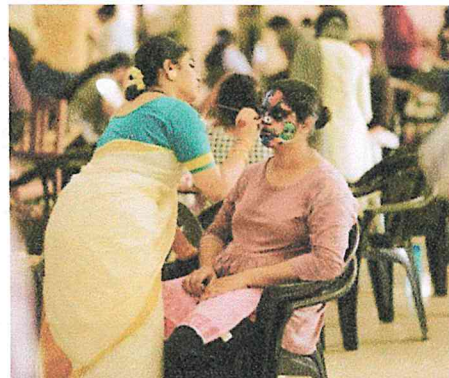

DATE: 11.12.2023 - 14.12.2023

VENUE: GOVT. MEDICAL COLLEGE, KALAMASSERY

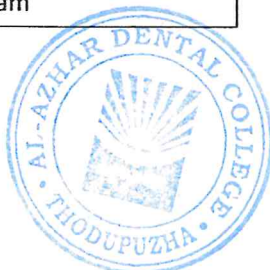

OPPARAM '23, held at Government Medical College Kalamassery, took place from December 11 to December 14, 2023. It was a four-day arts festival that saw participation from around 80 colleges. We arrived at the venue by college bus at around 7:30 each day and completed registration by 8 am. Two staff members accompanied us daily. Participants were then directed to their respective venues for their events. The official award ceremony was inaugurated by the Minister of Agriculture and Commerce, P. Rajeev, former High Court Chief Justice V.K. Mohan, and film actor Vinay Fort. The presence of various celebrities added colour to all four days. Our college entered about 10 events each day and managed to win prizes in 5 events: first prize for light music, first prize for classical music, second prize for Hindi versification, second prize for English versification, and second prize for folk dance.

The first-ever program conducted by the Dhruva Students Council took place on Valentine's Day, February 14, 2024, and it was a resounding success. The event featured an innovative "Confession Tree," where students wrote their confessions and hung them on a beautifully decorated tree. We also showcased a classic Malayalam movie titled "VET TOM," which added to the excitement of the day.

DENTIST DAY

Handwritten signature
28/12/24

On March 6, we successfully hosted Dentist Day, an event that truly celebrated our dedication to the dental profession. We distributed thoughtful cards to every faculty member in our college, each featuring a beautiful quote that highlights the significance of being a dentist. This gesture was a genuine expression of our gratitude for their hard work and support. The faculty members were pleasantly surprised and deeply touched by this unexpected gift from us. All union members were present to hand out the cards, creating a warm and joyful atmosphere. The smiles on the faces of the faculty were truly unforgettable and reinforced the strong bond we share within our college community.

WOMENS DAY

On March 6th, we hosted an exciting interdepartmental photography competition in celebration of International Women's Day. The event saw a remarkable participation from various departments, showcasing a plethora of creative entries that captured the essence of the occasion. The esteemed principal of Al Azhar Teachers Training College took on the important role of selecting the winners from the diverse collection of submissions. After careful

deliberation, Devapriya P.S. from the Department of Orthodontics was announced as the competition's winner, earning recognition for her exceptional talent and artistic vision.

IFTHAAR PARTY

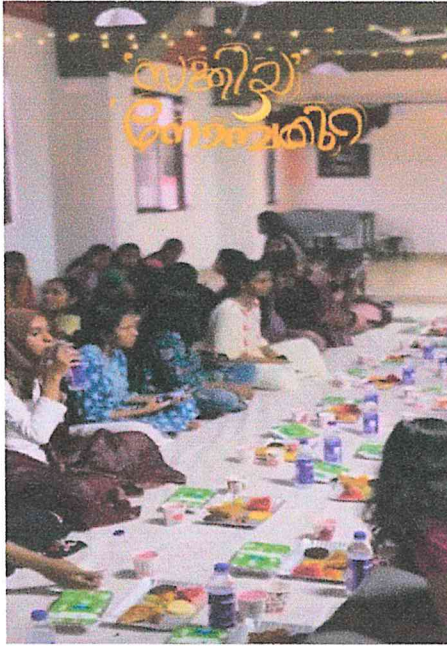

On April 9th, we hosted a delightful ifthaar party for both students and staff in celebration of the holy month of Ramzan. The event was a grand affair, catering to over 200 attendees, and it turned out to be an unforgettable evening filled with warmth and culinary delights.

As the sun began to set, we joyfully broke our fast with a spread of traditional food items, including fragrant biryanis, savory samosas, and a variety of refreshing juices and snacks that tantalized the taste buds. The atmosphere was enhanced by beautiful decorations adorning Lecture Hall 4, creating a festive and inviting ambiance.

22/12/24

The program commenced at 6:00 PM and continued until 8:00 PM, filled with laughter and camaraderie. We set up mehendi stalls where everyone could enjoy free henna applications, adding an artistic flair to the evening. Additionally, a food stall offering steaming cups of tea paired with zesty pickles proved to be a resounding success, much to the delight of our guests.

Overall, the ifthaar party was a gracious occasion, celebrating community, tradition, and togetherness, leaving everyone with cherished memories to carry forward.

NAAC PEER TEAM VISIT

On April 15th and 16th, 2024, we had the distinct honor of hosting a visit from the National Accreditation Assessment Council. The atmosphere throughout our institution was electric with anticipation as we meticulously prepared to showcase our strengths and achievements.

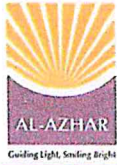

Among our esteemed guests were Dr. Pramod Yeole, the former Vice-Chancellor of Dr. Babasaheb Ambedkar Marathwada University; Dr. Aseem Prakash Tikku, a prominent professor at King George's Medical University; and Dr. Pulakum Mahesh, Principal of Narayana Dental College in Nellore. Their presence added an air of significance to the day.

As the assessment team embarked on their tour of our campus, they engaged in a thorough examination of our state-of-the-art infrastructure and comprehensive academic offerings. Each classroom and facility had been meticulously polished and organized, reflecting the tireless dedication of our staff and students to maintain an exemplary learning environment.

The highlight of the day was undeniably a breathtaking performance organized by our talented students. They delivered an extraordinary display of creativity and skill, mesmerizing the audience and leaving our guests in a state of awe. It was evident that the students had poured their hearts and souls into this performance, and the joy and passion radiated through every act. The expressions of surprise and admiration on our guests' faces illuminated the moment, highlighting the impact of the students' artistry and dedication. The enchanting show served as a testament to the vibrancy of our institution and the incredible talent nurtured within its halls.

PHILANTHROPIC ENDEAVOURS

PHILANTHROPIC ENDEAVOURS

Healthcare is a fundamental right, yet access remains a challenge for many underprivileged communities. Addressing this inequity, our philanthropic initiatives focus on improving the well-being of marginalized populations by partnering with the medical college to conduct health camps in rural areas. These camps serve as a beacon of hope, offering a wide range of healthcare services to those who otherwise face significant barriers to accessing medical care.

The primary objective of these health camps is to bridge the healthcare gap by providing no-cost services to underinsured and underserved communities. Through these initiatives, we deliver comprehensive health awareness programs that educate individuals about preventive care and healthy living practices. Additionally, screenings for common diseases enable early detection and intervention, significantly improving health outcomes for the participants.

In collaboration with skilled healthcare professionals, these regular camps offer a variety of diagnostic tests to identify health concerns. Preventive care measures such as vaccinations and counseling are made accessible, empowering individuals to take proactive steps toward their health. For oral health, which often remains neglected, services like oral prophylaxis, restorative treatments, and extractions are provided. These efforts not only alleviate immediate dental issues but also emphasize the importance of maintaining oral hygiene.

By bringing these essential services directly to rural areas, the initiative dismantles geographic and economic barriers to healthcare. The impact of these health camps extends beyond immediate medical aid, fostering a culture of health awareness and self-care within the community. Each camp stands as a testament to our commitment to creating a healthier and more equitable society, ensuring that no individual is left behind in their pursuit of well-being.

THE TIMES OF INDIA

Thursday, 13 January 2009

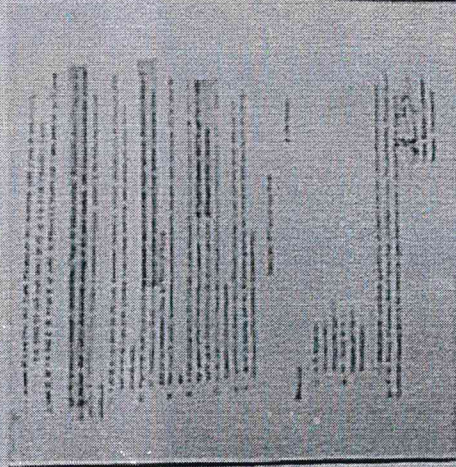

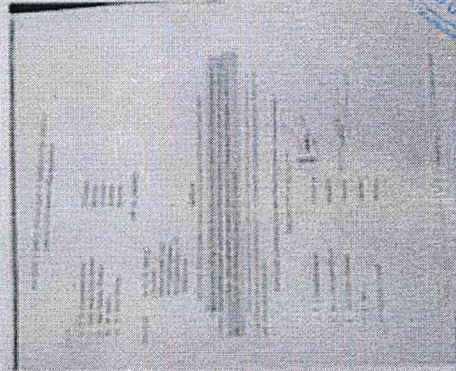

From tortured past, Shafeeq reaches Thodupuzha hospital

RETURNED LIFE AND DEATH

Shafeeq, who was tortured for 15 years in a military camp, has returned to his home in Thodupuzha. He is now being treated at the Shafeeq Memorial Hospital. The hospital was established in 2007 to provide medical care to the victims of the 1984 anti-Sikh riots. Shafeeq is one of the many victims who have returned to their homes after spending years in military custody. He is now being treated for injuries sustained during his time in the camp. The hospital is run by the Shafeeq Memorial Trust, which was set up by the government to honor the memory of Shafeeq and other victims of the riots.

Embracing Hope: Offering a New Beginning to a Child's Life, Healing Beyond the Shadows of Adversity."

PALLIATIVE CARE

PALLIATIVE CARE

Al Azhar Dental College's palliative care initiatives reflect its commitment to compassionate, holistic healthcare for vulnerable populations. The **Compassionate Dentistry: Palliative Oral Healthcare Outreach Programme** provides essential oral health services to marginalized groups, including inmates at **Mariyasadanam, Pala, and Divyarakshalayam, Kumaramangalam**. This outreach addresses critical physical health needs while also cultivating social responsibility in dental students, encouraging them to actively contribute to society.

In addition to these, Al Azhar Dental College provides specialized dental care for the elderly through a newly established wing at **IHM Hospital, Pala**, dedicated to geriatric healthcare. This facility focuses on addressing the unique dental needs of senior patients, ensuring they receive the appropriate care tailored to their age-related conditions.

These centers provide essential services such as pain management, symptom control, and emotional support, aiming to improve the quality of life for patients with life-limiting conditions.

The college's palliative care services integrate professionals from various healthcare fields, working together to deliver comprehensive, patient-centered care. Through these combined efforts, Al Azhar Dental College strives to make a meaningful impact on the well-being of patients, providing them with comfort, dignity, and support during their most challenging times. These initiatives not only improve patient outcomes but also foster a deep sense of compassion and social responsibility among students, preparing them for their future roles in healthcare.
