The program focuses on understanding the key features of the new curriculum and the implementation of microteaching techniques. This is part of an initiative by Al Azhar dental college and the Internal Quality Assurance Cell to enhance teaching methods and align with updated academic standards. The session aims to equip faculty members with insights and practical skills for adapting to curriculum changes, promoting effective teaching strategies, and improving the quality of dental education. All the participants actively interacted throughout the session. The session ended at 3.30 pm. A total of 36 participants attended the programme and the programme was concluded by vote of thanks by Dr Amal E A

| NO; OF PARTICIPANTS | :38 |

The official function was started with a prayer song at 2 pm. Dr. Harvey Thomas (Principal ,Al- Azhar Dental College) welcomed the gathering . The lecture started at 2.00pm by the speaker Dr. Mazood Ahamad (Reader, Dept of Periodontology) on the topic “OSCE/OSPE & Setting of question paper and viva voce”. The topics covered include Objective Structured Clinical Examination(OSCE) and Objective Structured Practical Examination (OSPE) methods, as well as guidelines for setting question papers and conducting viva voce.

The aim of the session is to familiarize faculty members with the techniques and best practices for conducting structured clinical/practical assessments and creating effective evaluation tools. By the end of the session participants are expected to understand the methodology and advantages of OSCE and OSPE in clinical assessments and gain insights into setting balanced and comprehensive
