Agenda

1. Christmas and New year celebrations
2. Republic day celebrations

The meeting held on 4th December 2023, in the conference room at 11:00 am was presided by Dr Aby Kuruvila who is also the co ordinator of Arts and Sports committee. The successful coordination of students for INTER-DENTS held at St Gregorius dental college were appreciated and winners in each category were congratulated in the meeting.

Upcoming events such as Christmas, new year and republic day were considered.

On account of upcoming university exam of students, a wide end celebration for Christmas and new year were put on hold for further consideration. In lieu of inter department competitions and a common celebration like previous years, a small department wise celebrations are opted considering the members' opinion. The Friday or last working day which falls before Christmas is said apt for the same

Since 75th Republic day of India is celebrated on 26th January 2024, a few cultural activities which screams patriotism are decided to be conducted during the flag hoisting ceremony. The student co coordinators were given responsibility regarding the lineup for the same.

The meeting adjourned on a positive note and after reviewing the minutes of previous meeting.

Action taken report of previous meeting

1. Students successfully participated in various competition items of the INTER-DENTS Fest after proper training and practice which helped them to come out in flying colors.
2. DENT-FEST was conducted.

Agenda

1. Activities for the following months
2. Reconstitution of the main body

The meeting conducted on 29th January 2024, in the conference room from 9:15 am to 10:00 am, was presided by Dr Aby Kuruvila. Being the first meeting of the year, at first the working of the committee in the previous year was discussed. Points for improvement and better functioning of the committee were put forward and opinionated by the members actively. Points were noted down by the members accordingly.

Since some of the members mainly student body members have left college, a reconstitution of the body was suggested by Dr Mazood which was supported and agreed to by the members as well. The present student body members were told to make a list of potential committee members to be and hand it over later.

Activities for the coming 3 months were discussed. Several suggestions for different types of inter-department competitions and student as well as staff centric competitions and programs were also suggested by the members. Dr Waheda noted down the suggestions and was asked to coordinate with other members to come up with potential plan.

The meeting adjourned on a positive note and after reviewing the minutes of previous meeting.
