

RESOURCE MOBILISATION POLICY

Date: 08/06/2023

- Departments submit Annual Budget requirements to the Principal, who presents them to the Management for approval. Approved budgets are communicated to the Institute administration.
- Resources are utilized through initiatives like health camps, research projects, clinical trials, MoUs, and maintaining equipment. Activities include conducting FDPs and operating satellite clinics.
- All expenditures follow approved budgets and adhere to governing body purchase policies.
- Strategies are adopted to reduce energy costs.
- Monthly internal audits ensure budgetary control, while external audits comply with government mandates.
